CHOOSING A CAREER

In the capability of modern business, few have the opportunity to choose wrongly more than once or twice in deciding upon a life calling. It is a solemn and important hour when a young man, either in the solitude of his own thoughts or in the circle of the family council, chooses his life work.

What are the important things that should influence the decision, so momentous to him and perhaps to many others? What are the tests of a business? Does it offer in advancement, development and compensation? And in happiness?

The answers to these questions are contained in a booklet entitled:

Can You Strut the New Ones?

STONG men are out on the floor these days. Almost every week a new step comes up from the black bottom of the Mississippi, or the plantations along the Gulf.

Does your present outfit keep you in the rear guard? Are you determined to don the new dress of the present day? Then you are the man who should take advantage of the exclusive selection of Vanities, offered to you in this number.

Everything New—When It's New

VANITY FAIR knows every celebrity and novelty — American, English, French, Viennese, Spanish, in cluding the Scandinavian.

Vanity Fair has access to the new work of the best men and the best work of the new men to all the airs.

Vanity Fair goes to all the season shows, sees or starts all the night clubs, is a guest at the private view of all exhibitions, hears the new composer play his symphony at tea, sees the pre-screening of the new movie, goes behind the scenes wherever anything new in sports or shows goes on.

Just see the simple little joy-dollar will bring you the next six issues of Vanity Fair. For sheer dead amusement it beats a dollar's worth of ham and eggs all to bits.

Clothes Cost!

When you compare a cheap, so-called cut-and-sew suit and a real hand-tailored custom suit, the difference is noted at once; the one is gone after a few months' wear while the other is good for a year. It will hold its shape; will press and clean well and, at all times you know you are well-dressed. Such are the clothes we make and many Penn men know this. Why not pay? Our prices are $15 to $65
