Margaret Anglin, Honored* Stage Star, ever careful of her voice, writes:
“Certainly women of the theatre must be careful of their voices. The one cigarette, I have observed, which seems to protect the throat and give the greatest enjoyment is Lucky Strike.”

You, too, will find that Lucky Strikes are mild and mellow—the finest cigarettes you ever smoked, made of the finest Turkish and domestic tobaccos, properly aged and blended with great skill, and there is an extra process—“It's toasted”—no harshness, not a bit of bite.
