TEN COLLEGES SELECT ONE MAN. CROSSBY BY DELEGATES OF LEADING COLLEGES.

MONDAY, May 23, 1927

Benson of Harvard, Reynolds of Columbia, Cozens of Pennsylvania, "Tad" Jones were decided to be the man to appoint the Bame representatives to the ten colleges named above.

It was the desire of all the men present in the meeting that other colleges join in appointing the same representatives—not for them so that one man may actually act for all at the Central College meeting.

One Man, chosen by delegates of leading Eastern institutions, to Pick All Officials.

"TAD" JONES CALLS MEETING

At a recent meeting of representatives from ten of the leading colleges in the East, it was decided to elect one man who should have the power of appointing all the officials for the football games between these institutions. The men who attended the conference, which was called together by "Tad" Jones of Yale, were Ernest Fowes of Pennsylvania, "Tad" Jones of Princeton, James Ingram of Navy, "Tad" Jones of Army, William Bingham of Harvard, Reynolds Bostom of Colum

M. Robert Harvey of Cornell, Harry Horace of Dartmouth, and Marvin of Brown.

A statement was issued at the meeting stating all other colleges to join with the ten concerned. The reason given for the decision was that it was unanimously agreed that some method of appointment which would free officials from any feeling of obligation or responsibility to either testing team would be desirable.

Jones, the sponsor of the meeting, said that the men for the positions had been decided upon but that his identity would not be announced until he had definitely accepted the offer and the various institutions had ratified the selection of their delegates. However, the name of the official will be announced within the next few days so that preliminary work may be done to aid before the meeting of the Central Board of officials, which has been scheduled for May 26, at which time he will make his selections for the officials to work in the games between the ten colleges named above.

Clothes Cost!

When you compare a cheap, mass-produced suit and a real hand-tailored custom suit, the difference is noted at once; the one is gone after a few months' wear while the other is good for a year. It will hold its shape, will press and clean well, and at all times you know you are well-dressed. Such are the clothes we make and many Penn men know this. Why not you? Our prices are $20 to $50.

I. C. A. A. A. GAMES

One of the most exciting features of this year's track and field championship meet was the competition which will be seen in the field, field, including the pole and 200-meter dash and the hurdles run. The west coast will be well represented in these events by a team of well-known, talented boys while the east coast expects to gather its throng of the greats. It seems almost unbelievable that Charles Brown, one of our track boys, is the first boy of the east to win the eastern championship for the long jump. Brown, in a preliminary at the University of Southern California, will be one of the most exciting and valuable team members in the competition for the first time in Franklin Field.

Not only is Brown a running favorite in the 100-meter dash, he also received the highest honors in the 200-meter dash, at the 1926 meet of the Funds. The Western coast schools will send many of their opponents to this year's meet, and Frank Brown, of California, who made his appearance at Franklin Field in the 100-meter dash, should be one of the throng of the Funds. He will be more than capable of meeting the competition.
