My Cousin Haskell

I have a cousin named Haskell Kenvray, a sweet, unspoiled country boy, who has just started college. A letter arrived from him the other day. He will write back to me because I know that Haskell's problems are so much like my own. Haskell writes:

"I see that you are writing a column for Philip Morris cigarettes. I do not smoke that brand of cigarettes myself, but I do enjoy them. They are wonderfully mild and have a fine taste."

I am happy to introduce you to my cousin Haskell Kenvray. He is a delightful young man with a bright future ahead of him. I am sure that he will be a great asset to Philip Morris cigarettes.

This column is brought to you by the makers of PHILIP MORRIS who think you would enjoy their cigarette.

I-F Passes Endorsement

OF DP Fraternity Policy

(Caption From Page One)

A half-page advertisement in the Junior Annals was voted by the Daily Pennsylvanian "good Taste." The endorsement for the policy was "written in protest of other policies." The proposal states that individual houses will be required to purchase a $5.00 bond in order to have the right to use the "I-F" passes. The endorsement read: "If Individual houses, fraternities and sororities are to share in the profits of the I-F passes, then all such houses, fraternities, and sororities will be required to have a bond in the amount of $5.00. This is necessary to prevent the misuse of the passes by any of the houses, fraternities, or sororities.
