Women Now Allowed To Eat In Houston Hall Main Cafeteria

Houston Hall's cafeteria, one of the last natural-born females of the University has finally been invaded by women, who now have the right to use its facilities. The new system which makes all the dining facilities of Houston Hall open to both areas has met the favorable approval of many women students. The change came about as a result of the concern for the Houston Hall, according to Harry C. Evering, manager of the University Dining Service. Evering felt that the new change would come along very useful although he said that the biggest problem before women will be used to the idea of the males last dining room being open to them.

In 1950 when Mr. Evering first came the University existing facilities were not open to women of the University. As more women came to the University, the increase in student numbers grew to be a problem. In 1950 a survey was made to open to women of all days of the year in the main cafeteria. In 1950 the arrangement in the main cafeteria was decided by Mr. Evering and his assistants. It was decided to open the main cafeteria after the last segmented portion of the meal and all the students that would solve their problems.

**Frosh Gridders Ready; Open Against Princeton**

by John Dugan

Long hours of practice and a complete lack of publicity buildup have thus far been rewards of a Pennsylvania freshman team which has finally decided on River Field since the beginning of the school year.

However, the frosh come into this Saturday's as they get their first game of time action against the Tiger yardings at Princeton.

Coach John Butler has been confronted with the traditional problem of freshman football coaches of having his squad broken up day after day to perform the tasks offilling in as guards, halfbacks, and so on. The need of a sure fire solution was to put forth a youth from the dormitory to put in the place of the dorm orifice the top three contestant Yap will receive certificates at the Inter-Fraternity meet.

In the Inter-Fraternity meet last week, Beta Theta Pi won both relays to gain 30 points, almost half its winning total.

Socialist Chester Visits UP Campus With Sound Car

by Theodore R. Feder

Robert Chester Militant Workers' Party Candidate for Congress from Philadelphia's fourth district visited the Pennsylvania campus last Thursday and was greeted by a not far from militant audience.

Chester, who is chairman of the Philadelphia branch of the socialist Workers Party, set up his loud speaker apparatus in front of the administration building and the union building and in front of College Hall. He began speaking at noon and attracted a crowd when supporter's distributed leaflets passedersby.

The candidate, who regards himself as a spokesman of "the underearned in a minority group member," drew many vociferous objections from the crowds when speaking on the ending of all foreign interventions. By this time he was more Korean, no more Guatemalan: let us recognize the new Chinese government and withdraw all American forces from that country.

Chester followed the outline of the party platform. He distributed leaflets and offered his views to everyone. "There is only one answer to unemployment," he said, "and that is to pay union wages."

Commenting on the two major parties, Chester said his party would stop many curious people on the street from the Franklin Institute.

Navy Defeats Penn For Fourth Victory

(Continued From Page One)

FORWARD PASSING

Navy end Bill Smith opened the second half scoring with a 31-yard touchdown pass from quarterback George Welsh after the Midshipmen had marched 68 yards in 11 plays.

A minute later, with the score reading 26-6, Neil Ryland fumblled the ball deep in his own territory with Navy tackle Jim Roger recovering. Wyche then spoiled end Ron Beagle in the end zone with a 13-yard touchdown.

With the Midshipmen leading 40-6 going into the final quarter, Navy's reserves dominated the remainder of the game. Bluet Burchett grabbed a Dick Richard pass for a touchdown on the fourth play of a 34 yard drive early in the quarter.
