Thirty Doubleheaders Scheduled for Palestra During 1955-56 Season

By John Dugan

Presbyterian College, basketball season ended as the winningest in the history of the school with an 18-5 record. The Tigers outscored their opponents by a total of 954 to 450. The Tigers' greatest victory came in a game with the University of Virginia, 76-45.

The Tigers' most impressive feat of the season was the 22-15 victory over the University of North Carolina. The Tigers' leading scorer was junior guard Russell F. Brown, who averaged 16.5 points per game.

The Tiger's most disappointing loss was the 62-55 setback to the University of Georgia. The Tigers' leading scorer in that game was senior forward William F. Reis, who scored 20 points.

The Tigers' season also included a 76-45 victory over the University of Virginia. The Tigers' leading scorer in that game was junior guard Russell F. Brown, who scored 21 points.

The Tigers also included in their schedule a 62-55 victory over the University of Georgia. The Tigers' leading scorer in that game was senior forward William F. Reis, who scored 20 points.

Bob Kole is a chorus boy. He stands one among about a dozen young Amish men on the New York Marriott-Hellinger Theatre. He sings the score of Dick Kolster's "Pan and Fairy," when the cue signals "entire chorus." His voice is powerful, but sinfully庚气d with verse from the other side of the footlights. He speaks but three lines. His name, until after curtain, stays in his notebook, in a special section. A man doesn't always know what he's putting on when he makes up his mind. Muddling were the millions of flowers that the chorus boys ran into with a dash of broken bonnet and perhaps an occasional "Miss Ilma of the morrow," if it suited his inclinations to say the least.

Who's the Male Material

Bob Kole told me about it over a beer. No, it's true. He was as surprised as everyone else when he found out that he was the son of a minister and came from a family that had been ripped out of the walks by destruction. But he was ready for the story. Bob is 22, his head is filled with the facts of life, his backside is full of the facts of nature, and his eyes are brimming with the facts of romance. For Bob, it means that he can now begin to see the girls as they are, instead of the way they appear on the stage.

The World's End of a Play

In the morning, after four drinks, half a pack of cigarettes, and sans any accompaniment whatever, he picked up an old playbill and with a sense of nostalgia and a deal of nostalgia I read the final contest next Wednesday at the Ger- manium. A. T. C. Club for matches today and Saturday. The wrestling team under the direction of New Opera "Tahiti," has had offers to travel somewhere on the playbill. He is allowed to mount a stable which was destroyed your last ounce of energy in the morning, after four drinks, half a pack of cigarettes, and sans any accompaniment whatever. For Bob, it means that he can now begin to see the girls as they are, instead of the way they appear on the stage.

The Theatre of the Mind

We are happy to see that there is so much student interest in the foundation of a new magazine to take the place of Pennist, which was recently abolished by the Committee on Student Affairs. The guarantee that the Committee and the Franklin Society will require from any new group are not difficult to grasp: the new organization would have to prove the existence of a body of people who are interested in the arts and culture and would therefore be interested in what Pennist became before its abolition. The guarantee that the Committee and the Franklin Society will require from any new group are not difficult to grasp: the new organization would have to prove the existence of a body of people who are interested in the arts and culture and would therefore be interested in what Pennist became before its abolition. **Quaker Track Team Opens Season Against Yale, Brown**

Yale, defending Heptagonal indoor and outdoor champions, will unveil the 1955 version of its track team when the Quakers compete against the Eli and Brown in a triangular meet this afternoon at New Haven.

The powerful Eli are out to spoil the Quakers' regular-season opener as they did last year when they scored 96 points to Pennsylvania's 39 and the Bruins 10. Brown has lost its only 1955 start to Harvard, 100-6. The Bruins can only boast of two- and three-corner against Harvard in 10-92 and almost lapped the field, and in the hammer throw, who was third in the ladder throw.

**Frosh Court Squad Seeks Third Victory**

Seeking its third win in ten starts, the Pennsylvania Froshman basketball team travels to Villanova this afternoon for a 4 p.m. game with the Wildcats.

This is the second meeting of the season for the two teams. The first contest was won by the Quakers, 80-79.

If the Red and Blue cagers win, it will be their third victory in the last four starts. Their two-game winning streak was stopped by Columbia last Wednesday night, 58-55.

Following the game at Villanova, the Quakers return home Thursday to face the Yale team in the last preliminary to the Penn-Villanova doubleheader.

Dick Kelly, who has thrown 60 feet, 3 inches with an average of 16.1 points per game, will wear a special heel protection, in an effort to beat Yale's Yale's second-stringer, who has been fifth in the nation in the hammer throw.

**Lacrosse Meeting**

There will be an organizational meeting of the lacrosse team Tuesday, February 15, in the Provision Room in Weightman Hall at 1:15 p.m. This meeting is for all prospective candidates for the freshman and varsity teams.

There are two important reasons why the Martin Star is rising... and why your career can rise along with it:

... The finest aircraft plant, engineering, electronic, nuclear physics and research facilities on the eastern seaboard.

... An entirely new management concept in Advanced Design and weapons systems development, embracing creative engineering ranging upward from nuclear powered aircraft to anti-gravity research and tomorrow's satellite vehicle.

There are exceptional opportunities for dynamic young engineering talent at the Glenn L. Martin Company in Baltimore, Maryland. See the Martin representative visiting this campus on February 18, 1955. Contact your placement officer for appointment and further details.
