University Hospital has recently received a shipment of Salk vaccine to be used in the prevention of polio. The vaccine consists of three live strains of virus which have been killed and will be used by the United States Public Health Service for the eradication of polio in the United States. The shipment is a major step in the solution of the problem of polio eradication.

Improvements Expected

New improvements being made in the vaccine will provide greater potency and will enable it to reach new areas.

Six Years Work

Dr. Salk has been at work on the polio vaccine for six years. His work on the Salk vaccine began in 1935, and the present shipment is the result of careful study and research over a period of years.

**Stickmen Defeat Dragons in Opening League Contest**

The Quakers, ahead from the beginning, were in command throughout the rout. Captain Ken Kurtz played an outstanding game and the attack with the help of two goals each from Bob Erz, Chuck Greenberg, Phil Hamblett, George Ramp and Bob Gertzen also scored for the Quakers.

**Boston Celtic Draft Leach**

Bart Leach, co-captain of the 1954-55 Pennsylvania basketball team, was picked as the fourth draft choice of the Boston Celtics in the annual player draft of the National Basketball Association yesterday afternoon.

Leach, who was named as the most valuable player in the Ivy League this past season was the top rebounder in the league with 281, and was third highest scorer in the league with 200 points for an average of 16.6 per game.

He was also a member of the All-Ivy line squad the past two seasons, being unanimously chosen this season.

Leach expressed happiness at his being chosen by the Boston team, which has very near to his Fair Haven, Massachusetts home; however, he said that he was not sure if he or not he will play professional basketball.

In other draft developments, the Philadelphia Warriors exercised draft rights on four stars from the Philadelphia area, selecting Lafayette's Tom Gola as their number one choice. The Warriors also picked Bob Schaefer, Chuck Yarnall, Albert McQuistan and Dick Simon of Temple.

**Quaker Golfers Open Season; Travel To Engage Haverford**

The Pennsylvania golfers open their sixteen match schedule today at Haverford. The Quakers will be fielding a strong team against this year in the opinion of coach Bob Stack and should not have much trouble with the Fords who were beaten 9-0 last year by Pennsylvania.

Since moving outside from the Palestra driving range the golfers have shown steady improvement. This year's team has the potential to pass the record in intercollegiate competition at Pennsylvania this spring, according to Hays.

**Quakers Favored**

The Quakers will be a heavy favorite to defeat the Haverford team which has yet to top the Pennsylvania golfers in ten attempts since 1952.

Three returning lettermen are due to see action today: Captain Chuck Yarnall, Albert McQuistan, and Almer Loomis. A year ago Yarnall won 13 of 15 matches and McQuistan as a sophomore won 11 matches playing in the number 3 spot. Loomis first year as a member of the team graduated three losses.

**New Faces**

Players to look for for freshmen team are Francis Poepe and Chuck Adair, both of whom are the low 70's. George Burkett who was captain at the matches at the number 2 position in 1952 and was captain of the 1952 team before entering the Army, has returned to Pennsylvania and should help the team greatly.

Bob Rainey, who played in the 1950 team has also returned from the service and is due to play against Haverford today.

**Lane To Stroke Crew; Guest Lost for Season**

Pennsylvania's varsity crew will be stroked by Junior Fred Lane when the Red and Blue crew row against Princeton and Columbia in the traditional College Cup regatta on the Schuylkill Saturday, April 23.

Quaker coach Joe Burk has been advised by doctors that Jack Guest, the 44" Canadian who set the pace a year ago, has been forced to give up the sport because of a back ailment that has bothered him ever since he was at Pennsylvania.

In addition to Lane, as of now the starting eight consists of three seniors, one junior, and four sophomores, including the anchor John Darugh.

The final selection of the crew for the Brown Cup Regatta will depend on Lane's ability to stroke the double workouts during the recent spring rains. The conditions have enabled the Red and Blue to get in more outdoor practice this year than in any previous season.

The two lettermen from the 1954 crew that captured the
