Trustees Report Record-Breaking Total of Gifts, Grants, Bequests at Close of Two-Day Meeting

The University received $4,755,386, in gifts, grants, and bequests during the 1954-55 fiscal year, the highest total in the history of the University. As Key by key, it was Robert T. McCracken, chairman of the board of trustees.

The amount was more than $520,000 above the total for any previous year. The old record, $4,231,283, was set in the 1950-51 fiscal year.

Of the total given this year, $2,064,184 was subscribed toward the development program to strengthen the University's facilities and its research and teaching endeavors. This raised the total money in the development program to $5,845,680.

The remainder of the 1954-55 total was given toward other endowment funds, the support of specific research projects, or current operating needs.

Included in the total is the $330,878 which was contributed to the Alumni Annual Anniv.

Frosh Smokers Held By Campus Clubs

Solicitations Begun
In Houses Last Night

Solicitations for 13 organizations, which will share in this year's Campus Chest Drive, went last night in the fraternity houses on campus.

Included in those to receive aid from the Campus Chest are United Fund, World University Service, National Scholarship Service, Pau for Negro Student, and the American Friends Service Committee.

Others to receive grants are the Christian Association, Illini, International House, Yaw Day University Camp for Boys, March of Dimes and the National Y.W.C.A.

Campus Chest is a charitable drive to which students are asked to contribute each year. Individual contributions will not be taxed, except the first $100 which will be exempt from taxation.

The program will include a panel discussion entitled "Integration and Education." It will be led by Helen Schubert, president of WIGA; Dave Gurka, student body president; and John Christian, a faculty member.

The program will begin at 8 p.m. in the Franklin Society Room.

Why do more college men and women smoke

VICEROYS

than any other filter cigarette?

Because only Viceroy gives you 20,000 filter traps in every filter tip, made from a pure natural substance found in delicious fruits and other edibles!

1. Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.

2. The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.

3. Smokers en masse report that filtered Viceroy's have a flavor even better than cigarettes without filters. Rich, satisfying, yet pleasantly mild.

4. Viceroy draws so easily you wouldn't know, without looking, that it even had a filter tip...and Viceroy costs only a penny or two more than cigarettes without filters!

That's why more college men and women smoke VICEROYS than any other filter cigarette...any Viceroy is the largest selling filter cigarette in the world!

Across the way in Irvine Auditorium, mother of the more popular activities on campus, the Mask and Wig Show, told its tryouts. This production is not open to freshmen; however, the Freshmen Mask and Wig Show will hold its tryouts later in the semester.

Among other clubs and societies that held or will hold tryouts this week are the Kite Club, Newman Club, the Debate Club, the Pennsylvania Literary Review, the Huronian, Newman Club and many others.

Students of the University will find a variety of activities on campus to satisfy almost any interest he might have. Everything from singing to politics.

Why Chancellor Adenauer reads The Reader's Digest

"In my country more than 300,000 people read the Digest in German each month. And they read not only about the people of the United States, but about the people of all nations. The Reader's Digest has forged a new instrument for understanding among men."

In October Reader's Digest don't miss:

-All about love. How can we tell the difference between true love and physical attraction? Can we really fall in love "at first sight"? What makes us feel love? Scientist Julian Huxley brings you a biologist's view of our most complex emotion.

Get October Reader's Digest at your newsstand today—only 25¢

44 articles of lasting interest, including the best from leading magazines and current books, condensed to save your time.
