Poll Conducted To Reconsider M&W Show Site

The final site for the Mask and Wig production "Ready, Willing and Able," will probably be selected today by the club council, following a poll of members of the club and council.

Since 1945, the show has been staged at one of the downtown theaters. Two major factors were taken into consideration when the decision was made earlier this month to stage the musical in Irvine Auditorium.

Student Participation Stressed

The first consideration, according to Robert Wickersham, director of Mask and Wig productions, was a feeling that the show, as an undergraduate activity, should be brought "back home," closer to the student body.

It was pointed out that this would make it easier for facilities of University Field available for persons coming to the city to make up classes and the like easier for students to attend.

Strike Settled

The second consideration was the animosity among the students. The club, in a vote, had promised the students that the show would not be staged in Irvine Auditorium, because it makes available the facilities of the University for play.

University Senate To Meet at 7; Harnwell Will Discuss Finances

The University Senate, which is composed of all faculty members of associate professor status or above, will meet tonight at 7 p.m. in room W-51, Dietrich Hall. Dr. Gaylord P. Harnwell, president of the University, will review the financial outlook of the University before the Senate.

A statement on the selection of a new Provost will be made by Dr. John H. Chope, provost of the University, and also a report on University development will be made by the Finance Committee.

University Senate Nevada to Meet at 7; Harnwell Will Discuss Finances

The Senate Committee on the Faculty Club will meet tonight at 7:30 in the Franklin Room and discuss matters concerning the club including the site of the club, the club's future, and the proper frame to be used in constructing the club.

Booters Lose, 2-0; Yale Assume First in Ivy Soccer Race

Yale established itself as the "team to beat" for the Ivy League soccer title by convincingly increasing previously unbeaten Princeton, 2-0, in a non-league game played Saturday afternoon in Spector Stadium.

The final outcome of the contest was actually decided in the opening period. With Princeton leading, 1-0, Yale demonstrated both a well rounded offense and a tight light defense in downing Penn. The Bootees lost, 3-0, and Barlow kicked the ball into the opposite side of the net. The same shot resulted itself in a defensive struggle until the 2:10 of the last quarter. Ed Barlow, for Princeton, took a shot, but the ball was driven past goalie Sandy Churchman by Yale back, who kicked it into the opposite side of the net.

The goal thus caused Yale to be down an entire goal. Yale demonstrated both a well rounded offense and a tight light defense in downing Penn. Princeton Harriers Edge Quakers by Three Points

MONDAY, OCTOBER 24, 1955

The Princeton Harriers defeated Pennsylvania 29-32 and Columbia 56 as Princeton won its first Ivy League meet of the season.

The Princeton Harriers beat Pennsylvania here today. The Tigers scored 29, Penn 29, and Columbia 56 as Princeton avenged last year's loss to the Quakers.

Princeton had the second place finish in the meet, with Columbia finishing third. The final score was Princeton 29, Penn 29, and Columbia 56.

On several occasions, shots by Dick Vodrey barely missed the net or were blocked. In the second period, Gerry Mayall booted a ball which hit the crossbar and bounced back on the field. Our forwards were unable to take advantage of the two-man advantage. We performed well, but the rest of our opponents did not require the purchase of another; our special student prices are good for all or any of these three weeklies.

Yale Booters Defeat Penn 2-0

Take Lead in Ivy League Race

Pennsylvania's junior varsity soccer team inaugurated its 1955 season by defeating the Harvard J.V.'s, 4-3, at Harvard Art Field.

The Penn forwards were unable to take advantage of the two full-back style of defense utilized by Yale. They also failed to capitalize on the few chances which were offered themselves in the course of the contest.
