"Kiss Me, Kate" Tryouts Begun By Penn Players

Tryouts for singers, dancers and actors for the Pennsylvania Players musical comedy production of "Kiss Me, Kate," will be held today and tomorrow in the University Auditorium from 8 a.m. to 8 p.m., and again at 1 p.m. to 5 p.m. in the evening.

No advance reservations for auditions will be accepted, and the Pennsylvania Players will make their choices solely from those who show up for the tryouts. Of course, some will attempt to try out which will be impossible to puzzle out. Therefore, all those who are interested in the production should plan to attend the tryouts.

The play is set in Florida, where Capulet and Montague families are to get married. Kate, a new arrival, is a sultry divorcée and star of Broadway. Ryan, her first husband, is a former police inspector, and he still loves Kate. When he finds out she has married Capulet, he decides to find out what has happened to his former wife. His investigation finds that Kate has married Capulet to avenge an insult to her honor. The Montagues and Capulets fight to the death, and Kate is finally forced to marry Capulet.

Trustees' Action Begins New University Agency

To Assist Administrators

Anyon Appointed Director of MAS; Service to Aid in Aspects of Administrative Process

Management Analysis Service, a new agency, is being made possible by the action of the University trustees and attached to the office of the President, has been initated with the purpose of assisting budgetary administrators of the numerous departments of the University at their request in the planning, organization, managament facilities, methods and control aspects of their administrative process.

Dr. G. Jay Anyon, Assis-
tant to the President, is the director of MAS, the first agency of its kind in Pennsylvania.

The agency was originally created by the board of curators of the University to provide a pool of management analysts to work with the boards of trustees of each of the University's colleges and to the trustees of the University's general alumni society. The board of trustees has now ordered the development of the agency to provide a service to the University's administrative officers and to meet the needs of the five colleges and other units of the University.

Administrators Notified

The service is to be supplied to budget administrators of all colleges and other units of the University who are engaged in planning and budgeting and who wish to have the service. The service is to aid them in advising and consulting with the boards of trustees in those areas of the University's operations where they are engaged in the budgetary process.

Once again, the certificate of reservation that is almost but not quite desirable should be awarded, this time to Dr. A. H. Smith, president of the University.

The man who, following the tradition of the second class, found a tunnel linking the southwest of College Hall with Logan Hall.

As a reward, the University will provide Dr. Smith with the use of the tunnel for his personal use.

A Passion For The Drama

by Gerald A. Hirschorn

The work of Founder's Day at the University is traditionally one in which our aims and achievements are reevaluated. The fact that argparse marks the 216th birthday of the Founders' Day is a significant event in the history of the University. As such, it provides an opportunity for reflection and renewal. Founder's Day is a day of celebration and a moment to reflect on the past, present, and future of the University.

The theme of Founder's Day 2021 is "Reimagining the Future: Toward a Thriving Campus Community." This theme is particularly relevant given the challenges of the past year and the need for innovation and adaptability in the face of uncertainty.

The day begins with a keynote address by a distinguished speaker, followed by a series of workshops and discussions on various topics. The closing ceremony features a performance by the University's choral group, showcasing the talent and diversity of the University community.

In addition to the events, Founder's Day also includes a special exhibit in the University Museum, featuring artifacts and materials that highlight the history and evolution of the University. The exhibit is open to the public and offers a unique opportunity to learn more about the University's past and present.

Overall, Founder's Day is a day of celebration, reflection, and commitment to the University's mission. It provides a platform for the University community to come together, reflect on our past, and chart a course for a bright and promising future.
I-M Basketball Leagues Begin Action This Week

Holthusen Gymnasium will be the scene of the Inter-Fraternity and Dormitory basketball leagues which start this week, the I-F teams getting under way this evening with the dorm league starting Wednesday.

The I-F teams have been entered in the I-F league which is divided into four divisions. The dorm league will see 18 squads meeting on Wednesday evening, all 3 on Monday and Thursday nights.

An independent league has also been formed but the schedule is still uncertain as Jack Gloucest, Director of Intramural Athletics, will still accept entries in the tourney.

Schedule Ends In March

The three leagues will continue play through March 1, the playoffs in the various leagues being held March 5 through March 12. The All University Tournament (C) has tentative schedules for Thursday, March 15.

How To See Europe

Student's Budget

How can a student go to Europe? This is the question many American students ask themselves. This article will give some ideas to those interested in learning about life in Europe. It will also give information on how to start the adventure of a lifetime. Here are some tips on how to budget for a trip to Europe.

The first step is to decide how much money you can afford to spend. This will depend on your financial situation and the length of your trip. Next, you will need to figure out how you will pay for your trip. There are several options available, including loans, scholarships, and grants. After deciding on your budget and financing options, you can begin planning your trip.

Sturgis Stars in Tourney
As Quakers Finish Sixth

Despite the fact that the Pennsylvania basketball team managed to win only one of three games in finishing sixth in the All-College tournament, fans are probably still talking about the exploits of Quaker center Joe Sturgis. Sturgis, leading Quaker scorer, was outstanding in all three games, scoring a total of 74 points and pulling off a major share of Penn's rebounds against taller teams. As a result he was subsequently named to the All-Tournament first team, receiving more votes than any other player.

Quakers Strong

Penn, rated little chance of getting past the first round, was surprisingly strong against the powerful Oklahoma City quintet before bowing, 74-62. Trailing 35-22 at halftime, the Quakers rallied to narrow the margin to 43-41 with 10 minutes remaining. However, a couple of Oklahoma City surges put the Chiefs ahead, 19.

Penn Defeats Tech

Texas Tech fell victim to the Red and Blue in a consolation game the following night. 60-30. Tech grabbed an early lead and held a 10-point lead most of the game before the Quakers put in a first-half rally for the win. 34-19. The Penn center tallied 15 of his points in the first half as the Red and Blue assumed an early lead. The Quakers also led 20 points, led the quartet in a second-half rally which produced 30 points.

Haines, Lee Get Track Rankings

John Haines, the 1955 track team captain, and Willis Lee, captain of the 1956 team, both earned places on the world track rankings for the 1956 indoor season.

Haines was ranked eighth among the world's 100-yard sprints and Lee was ranked seventh among the 110-meter hurdles.

John Haines of the All-American Southern California, and Penn State claimed more performances on the world list.

By Ily League

Jerry Ford, Pennsylvania athletic director, and Bob Paul, director of student activities at Penn, have received Ily League votes and will take the chairmen of the Ily League administration committee and chairman of the Ily League sports administration committee, respectively.

Paul will handle press relations for the administration committee for the coming year.

The administrative committee, composed of the athletic directors of the eight Ivy League institutions, was unanimously recommended by the Ivy committee, composed of the presidents of the respective schools.

The first 1956 meeting of the administration committee will be in Los Angeles in connection with the meeting of the National Collegiate Athletic Association next week.

Haines, Lee Get

Track Rankings

The most outstanding year was 1955 when both the top men and women set new world marks within reach of all but the top two or three. California's Bob Mathias put up times not likely to be equalled. Swede's Bert Nilsen, and Illinois' Lee, who set the world record for sprints. North Carolina's Paul Sturgis with 6' 8" for the Penn record also set a world record in 1955. Haines was rated ninth, followed by Trindade's Mike Apodiz and Gernany's Manfred Germar and Holn Puttierer. Texas' Dean Smith was rated seventh ahead of Haines, although the Penn Flash beat him for third place in the NCAA.

CONDEMNATION FROM $3.50 BEST SELLER: "A NIGHT TO REMEMBER." "I love it. I love it. I love it." French REPEAT STATES 11 HUMM IN COMMENTS ON RECENT VOTING

French repeat. States humm. In comments on recent voting.

The French have done it again," said Dr. George W. Trumbull, influential political writer, speaking of the election which saw the extreme right and left in France gain seats which they actually received in 1956. The supporters of Pierre Poujade, who campaigned on an anti-tax, anti-government platform, represent the extra- right-wing voters who voted with the Dr. Gaulle in the past and represent the non-français element present in Europe.

Commenting on the election which saw the Communists increase their seats from 90 to about 150 and the right-wing Poujade wins, approximately 30 seats, Dr. Trumbull expressed the view supported by other members of the political community that the French political scene will be rocked forever. However, the vote was not unexpected. "No one should be stunned by the election," said Dr. George W. Trumbull, assistant professor of political science. Although the Communists did gain seats, they will meet in Spain for their annual sessions in which conference and discussion is held.
