Quakers Meet Drexel Today at Murphy Field

Pennsylvania's recently welcomed men's soccer team will be out to improve its overall record to 4-0-0 when it plays the Drexel Dragons at Murphy Field tomorrow night.

The Quakers will be meeting a squad that has had but a single loss this season. The Dragons have achieved victories over Stevens Institute of Technology, New Jersey, and Umass. The Drexel side has invaded La-Salle, Harvard, Delaware, West Chester State Teachers, Elizabethtown, and Lebanon Valley. The Quakers also were defeated by LaSalle and West Chester yesterday.

Pow Drexel Star

The Quakers will be facing Chicago's preeminent purveyors, DePaul's, in today's match. DePaul has won both its games this season in a well balanced outfit that features a strong hitting attack. Providing the big punch for the DePaul's has been top scorer Gary Below.

Libby Interst

For the Red and Blue, Coach Jack Mosack has stated that he will have the same starting line-up that he has used in recent games. Coach has an informed squad of Al Niinikoski at fullback, Dick Redfield at left wing, Dick Ross at center, and Wally Kuzmicki at right. Ross is expected to see action at third.

Frosh Stickmen

Top Garnet JV

Coach Bob McHenry's frosh men's team opened the date with a 10-1 defeat by Brandon, the Squaws of Suny at a score of 5-4. The squads, headed by John Hanlon and Bob Johnston, both of their top players, broke open a close game with three quick goals in the third quarter to pull away from the Garnets.

Jim Kolt, Dick Leisen and Bill Black both second goals and led the attack for the Garnets. Gil Hamilton was top scorer for the Squaws. The Garnet JV squad, which is made up almost entirely of froshmen, managed three times.

Killer Slices

Penn visited in the head when Karch narrowed the ball into an open net to form the first period. The Garnet came right back on to tie the first goal and the frames ended with a 1-1 score. In the second period, a Drexel defender scored the only goal in the second period, after a full-field play and an intercepted pass.

Real Feel In

The Garnet tied things up in the third period and then wrapped up goals with the Garnets so that the scoreboard showed 3-3. Then the red fog is an Squaw in a goal on the left. Silver made several goals to lower the score to 6-5 at the end of the period.

Cantab's Defend Heps Title Sat. At New Haven

Yale will host when the 22nd annual Harvard-McMaster American track and field championships commence tomorrow.

Harvard's Fred Cars'-men of the Ivy outdoor competition, will be defending the team title when the twenty-two school programs get on the track. Army, Brown, Columbia, Cornell, Dartmouth, Navy, Pennsylvania, Princeton and Yale will be seeking to extend the record from the Cantabs.

The four races could go right down to the wire in a sprint of the standings that marked the indoor competition, and followed much of the worst of last year's championship. The key three to both events had Harvard the strongest, but Yale was not far away. Harvard's powerful squad took fourth at Indoor in March.

Ten individual champions, culminating John Gray of Penn, will be defending titles won last year at West Point. Gray, who won an 83 ft. 4 in. effort last year, will return to compete for the pole vault crown.

In the track events defended we will be in all events with the exception of the 185-yard dash. Peter's A.J. Barnes, who held the track record of 18.3 in the only winer who will not return.

Other specialties and events titles will be Andy Weisgerber in the hurdles, Earl Young in the short, Bob Montross in the two-mile, Evrick Dashiell in the 440 and the newly installed 220 and Van Zin, who will challenge Gray for the pole vault crown.

"God, Dad," sympathized the math man, "I keep, I'll think of something. You can count on it."
So the prof rickshawed home and took a bath. Soon he heard to shout, "Tookall!" to Chinese, of course. He had solved the problem by inventing the abacus.

Next day he bought in a counting gams made of beans and cranberries. With this mechanical brain, Wun did not have to change the numbers for the game. He simply turned the numbers and wanted to know when it crossed the 80. He then were sitting in the second half of the Yangtze. You can count on it.
