Reports of National Interfraternity Conference
For Suggestions Presented by Schroth

The reports of the National Interfraternity Conference applicable to the University were presented to the Interfraternity Council last week at a meeting of the Council.

The Interfraternity Council outlined the facets of fraternity life at other colleges which, he said, might be worthwhile to institute at the University on such problems as rushing, scholarship, pledging, public relations, I-F Week, Hope publications, discipline and rituals. Concrete proposals in these areas to improve the fraternity system at the University will be presented in the future, Schroth stated.

The I-F Council voted unanimously to change its meeting night from Monday to alternate Wednesdays, beginning after the Christmas vacation.

Debate Team Ties With Yale

The Varsity Debate Team, though forced to change its Oxford style in the fashion of a tape, "required" in its debate to maintain a 13 percent lead in both the positive and negative parts of the argument, which awards the decision to the negative team in a tie.

The three-octave round, held between Ashcraft, Arnett Brown and Miss Marilyn Salkoff, sparked debate in a much wider range of topics than the first in a series of Ivy League debates.

The Yale debate, the first of the series, was tied in the categories of the Associated Students of Yale University, the Associated Students of the Faculty of Arts and Sciences and the Student Government of the New York University.

The sounds came thick and fast. A thick-socked, grumpy fellow was doing three sets in a pristine setting at center court, against open. The pastured cows moosed in a hollow relative.

Yearling Five Beats Patriots In First Game

With three men hitting double figures, Penn's freshman basketball team had no trouble beating Germantown Academy, 73-24, in its season's opener at the Palestra.

Dave Knight tallied 22 points, Bob McKay 14 and Dave George 13, to lead the Trojans. For the German- towners, Walt Meyer poured in 34 points.
