Mask and Wig To Hold Spring Show Tryouts Beginning February 3
Four Days of Auditions Are Scheduled For Modern Musical ‘Free All’

The Mask and Wig Club will hold tryouts for its spring musical, ‘Free All,’ on Monday, February 3, and will continue tryouts through Thursday, February 6. The auditions will be held in the Hillel Auditorium, beginning at 7:30 p.m. each night.

The musical is based on the novel ‘Free All’ by Robert L. Israeloff. The story takes place in a town where a group of young people are trying to start their own community center. The tryouts will be open to all members of the University community.

Quaker Quintet Opposes Powerful Temple Tonight In City Series Contest

A library of human relations books was presented to the Temple University campus by the Pennsylvania Quaker Peace and Human Relations Committee as a special University gift to Commodore Schuyler, head of the Philadelphia Canoe Club.

The presentation marked the beginning of a local American Jewish Student Committee which, in conjunction with other local human relations organizations, will sponsor a series of human relations publications in the future. The presentation included the human relations understanding and assistance of the Temple University, the American Jewish Student Committee, the Quaker Peace and Human Relations Committee, the Temple University Graduate Students Council, and the Temple University Student Council.

In making the presentation to the Temple University and the American Jewish Student Committee, the Temple University president, Dr. Horace B. Mergenthaler, said:

"The first step in human relations understanding and assistance is the gathering of information. We are not only interested in the gathering of information, but in the interpretation of that information."

A DU PONT JOB-FINDER CHART FOR BS-MS ENGINEERS AND SCIENTISTS

Here is a sampling of the kinds of engineers and scientists which Du Pont will employ this year with BS-MS training—and their fields of work. The chart is an easy way to match your own interests against job openings at Du Pont.

For example: If you are a mechanical engineer, run your finger across the "Mechanical Engineers" column. The code letters refer to the type of work (Research, Development, etc.). The departments of the Company are listed across the top. The column across the bottom indicates some of the locations where these departments have openings. Du Pont also has opportunities for other engineering and scientific specialists, but space does not permit a complete listing.
