elasticity.

If you answered "No" to all questions, you obviously smoke Camels – a real cigarette. Only 6 or 7 "No" answers mean you better get on to Camel fast. Fewer than 6 "No's" and it really doesn't matter what you smoke. Anything's good enough!

But if you want to enjoy smoking as never before, switch to Camels. Nothing else tastes so rich, smokes so mild. Today more people smoke Camels than any other cigarette. The best tobacco makes the best smoke. Try Camels and you'll agree!
