Campus Chest Drive Ends With Gala Carnival In Gym

Hula Hoop Contest Will Be Main Event

by Robert L. Frine

The Campus Chest Drive reached its climax yesterday with the Campus Chest Carnival at Hutchinson gymnasium. The principal purpose of the Carnival will feature all the other things, 40 different booths of chance and skill operated by the men's and women's fraternity, sorority, band, honor societies and organization.

The featured event of the evening was the Hula Hoop contest which is slated to begin shortly after 8 o'clock. The contest will be led by J. F. Banks, senior, and Bob Morris, senior. Approximately 200 persons who were members of the Bricks' varsity football team were present on the field for the contest. Points were awarded to the first and second places. The third place was also awarded, but the number of contestants was too small to determine a winner.

The Carnival will feature a wide variety of events, including a Hula Hoop contest, a Jukebox contest, a waltz contest, a talent contest, and a variety show featuring performances by the University Glee Club and the various fraternities and sororities.

The Carnival will also feature a grand prize of $500, which will be awarded to the contestant who wins the Hula Hoop contest. The prize will be presented by the University's President, Dr. T. C. F. Burns.

The Carnival will conclude with a fireworks display, which will light up the sky with a dazzling array of colors.

Editor, Daily Pennsylvania:

As the race for the presidency of the University now enters its final stretch, it is my hope that all interested students will participate in the upcoming election. In the past, candidates have stressed the importance of student participation in the election process. It is crucial that we, as students, actively engage in this process to ensure that our voices are heard.

The election will take place on Monday, October 17, from 9:00 AM to 5:00 PM. Polling stations will be located in various locations around campus. Please make sure to participate and cast your vote.

Sincerely,

Editor, Daily Pennsylvania:

I believe that the election process should be more inclusive and transparent. It is essential that all students, regardless of their background or affiliations, have an equal opportunity to participate and have their voices heard.

To address this issue, I propose implementing a system where polling stations are set up in different locations around campus, ensuring that all students have access to voting. Additionally, a comprehensive marketing campaign should be launched to inform students about the importance of voting and the process.

We must ensure that our democratic process is inclusive and accessible for all students. Let us work together to make this a reality.

Sincerely,

Editor, Daily Pennsylvania:

I am writing to express my concern about the recent actions taken by the administration regarding the election process. It is concerning that the polling stations have been moved to different locations around campus without prior notice. This has led to confusion among students, and many have missed their opportunity to vote.

I urge the administration to take immediate action to rectify this situation. It is crucial that all students have equal access to the voting process. Let us work together to ensure that everyone's voice is heard.

Sincerely,

After a lay-off of two weeks following its loss to the Penn JV football squad, coach Dick Grahl's Graham's freshmen eleven will travel to New York this afternoon to face the Columbia freshman team.

Coach Grahl has been impressed with his players in their recent practices and believes that they will play a better game than they played in their initial contest. They have been out the past two weeks developing a more balanced offense, and adding more depth to their plays. Grahl stated that his squad learned a great deal from their game against the JVs.

The team is in good condition until the vacation of the "Home" Weirmann, who has a nose injury and will be substituted for the remainder of the season. Grahl has decided to start Bob Ernst in place of Weirmann for the Columbia contest.

Lineup Changes

There will be three other changes in the starting lineup. Dick Schayer will anchor the Quaker defense at the center position. In the backfield, Graham will start halfback Bill Tracy and fullback Alan Campbell in place of Don Hart and Jerry Fifer respectively.

The remainder of the starting lineup will be the same as it was for the JV game. The line will consist of Calvin Johnson and Joe Manske at ends, Bob Eastrood at tackle, and Comte Dollinatti and Mike Davis at the guard slots.

Tate QB

The starting quarterback will be Mike Tate, who called a fine game against the JVs. Hard running John Salem, who scored the only freshman touchdown in their opening contest, will start at the left halfback spot.

Columbia sources revealed that the Lions have their best freshman team in thirty years. Coach Grahl expects this game to be the hardest one of the season for his squad, since he believes that the Lions have the best freshman team in the Ivy League.

After this game, the Quaker season will have a two-week lay-off before they travel to Princeton on November 1, to face the Tiger fleet.

Yearling Eleven Meets Lions

In New York Contest Today

Fresh from a 2-1 victory over West Chester, the Quaker JVs will oppose the always tough West Chester junior varsity squad today at Stewart Field at 3:30 p.m.

The Quakers are always a strong money power in the East. Due to the small size of their school, freshmen are permitted to play in the jayvee team giving it added strength.

Last year the Quakers extremely beat the Red and Blue booters, a 13-point victory, and at the last minute, West Chester team went down the Quakers who had brought back an unshakable to the awe game.

Coach Art Blase plans to go with the same lineup that beat West Chester, a doubtful possibility. Murray Davis, his regular starter, is out with a nagging ankle. The probable starter will be Bob McManus.

Bill Caldwell will guard the nets with Joe Mitchell and Bob Trager at the fullback slots. The halfbacks will be manned by Jake Straham, Bob Pirring and Max Hamburger.

The right guard and tackle will be Mike Trapp and Bob Smith in the inside positions.

Joe Kurland, who scored the first field goal against Harvard, will play outside left, and Dave Calabrese will play inside left.

Eagles Host Forty-Niners

The Philadelphia Eagles will return to Franklin Field Sunday to try to even their season log at 2-2 when they meet the San Francisco 49ers.

Last week, the Birds lost to the Pittsburgh Steelers, 24-6. The 49ers, also 2-2 for the season, lost their last game to the Chicago Bears, 26-6.

The San Francisco 49ers are led by their great quarterback, Y. Tittle and John Brodie, the ex-San-Francisco 49er. Playing fullback will be Joe "the Joe" Perry, who recently broke Steve Van Buren off from the front line.

The Eagles played very sloppy football in their losing effort against the 49ers. Norm Van Buren, Tittle's quarterback opponent, called it the worst game in the history of professional football. Every time the San-Franciscans handled the ball, they picked it up.

Eagle coach Chuck Shaw, should be particularly anxious to win this one. It would be his first home contest as coach of the Eagles. The Boss will be with his "Joe," the 49ers, 31-6.

The Eagles still are not up to their true football form. This is mainly due to the fact that the Eagles have not fully recovered from the injuries which have harrassed them all season.

Rhod's To Lead Princeton Attack Against Quaker Lightweight Eleven

by Alfred Harker

Led by triple threat backfield Jay Thobie, Princeton's 100-point preference chances (1-0) will surround Murphy Field tomorrow morning at 10:00 to take on the Red and Black Lightweight Eleven (1-1) in the non-Bill, non-cover for both squaddies. Rhod's running, rushing, and about the powerful Tigers to a 10-0 victory last Saturday, Running out of the stem Cincinnati single wing setup, Rhod's, along with backfield Matt, are the only ones of the most of the edge in the fullback slot. Captains Bill Goff, halfback, and Len Green set up in the guard positions. Tackle Ed Brown, and center Stan Wilson, have been starting since the most last year. The reasons the team isn't because the guard position, the Red and Blue's clinics try to jump early because the better team just isn't.
