University Financial Report Indicates Operating Deficit

Estimates Predicts Elimination By 1959 When Additional Income Is Expected

By Robert L. Frost

The recently-issued summary of the estimated University income and expenses for the year ending June 30, 1959, shows that the University will incur an estimated operating deficit of approximately $200,000. However, Henry R. Pemberton, financial vice-president of the University, has stated that this estimated operating deficit, although calculated on present revenues, would probably be eliminated by the end of the year through various sources that cannot be counted upon cer-

Trychouk Out: Hanlon Limps

By Harry Deutch

When Penn football team boats hove home from Cambridge Saturday night it missed the first time this season they have come back from a football game virtually unscathed.

The only player who was hurt during the Harvard game, Jack Hanlon, was still limping last night. However, the team physician, Dr. Harry S. Farrall, has assured the coaching staff that Hanlon's leg is a three-day affair and he should be ready for workouts on Wednesday.

Head coach Steve Belko, who will open Saturday's game at the Yale Bowl, said Friday that he will have all his players ready for the game.

The New York Times

With the official start of the new school year being imminent, many students are already beginning to plan their schedules for the coming semester. The University has announced that the fall semester will begin on Monday, September 7th, and will run through December 19th. The winter semester will begin January 5th and end on May 14th.

The estimated University income for the coming year has been figured at approximately $42,088,114, while the approximate expenses are expected to go up to $43,242,767, leaving an estimated gross deficit of $1,154,653.

In order to reduce this deficit, the University is considering various measures, including the possibility of raising tuition fees and eliminating some courses. It is also expected that the University will seek additional funding from external sources, such as grants and donations.

The University has made it clear that the reduction of expenses is a top priority, and that all departments will be expected to contribute to the University's efforts to balance its budget.

How About That!

Now, if Penn wins the three remaining football games with Yale, Columbia and Cornell, and either Harvard or Yale loses to Princeton, there will be a four-game pennant-ship between the Ivy champions. The Big Red and the Farmers will be all stiff with 6-2-1 keep, while Harvard would hold the same record of 6-2. We will see Brown and Yale.

Lolita: Fiction Is Art

Lolita is one of the few books written in a single-season style, with its charm and wit, its snappy dialogue and its intelligent and sophisticated character development. It is a book that is both entertaining and challenging, with its delicate balance of the macabre and the romantic.

How to Read

The plot: Yahoo! The book is narrated by a middle-aged man who is a former professor of literature and a specialist in the theory of the unconscious. He tells the story of his affair with a young girl named Lolita, who becomes obsessed with him and eventually becomes his lover. The story is told in a witty and ironic style, with Nabokov's characteristic use of foreign languages and his ability to create a sense of psychological realism.

Harriers Host Lehigh; Tracy First At Boston

Georges van Kieffer finished fourth for Penn as the Leopards completed one of their three meets. Dick Laramie crossed in 22 places, while Tracy, with 21, was second and Halsted third, with 22 points.

The game was highlighted by the excellent defensive play of the Quakers. Their crisp tackling caused the Tigers to fumble on numerous occasions, and seriously limited the Princeton offensive game. Penn took a 6-0 lead in the first quarter on a three yard run by Campbell.

The Tigers came ahead in the second stanza, when Phil Carson tackled from the two yard line and then kicked the extra point. In the third period, the Quakers gained the lead again, on Campbell's second touchdown. He set the score up on a 46 yard run to the Princeton two. He scored on the next play on a run through the line. John Galen tackled the two point conversion on a run around end.

The Tigers came back in the final quarter on a six yard touchdown pass from Elmer Herrense to make it 14-12. However, Princeton stopped the Quakers on their kick for the two point conversion.

Barny Berlinger and Dave Coffin have been selected by the DP sports staff as the outstanding lineman and back for their sparkling play in last Saturday's victory over Harvard.

Berlinger, a dasteful starter because of an injury sustained in the previous week's victory over Brown and who hadn't even worked out with the team until Thursday, played most of the game, providing the team with an extra lift. He was the spearhead of the offensive line, his blocking igniting many of the long drives, and a steady threat on defense.

It was Berlinger who caught the quarterback Larry Purdy's jump pass from the 80 yard line early in the first quarter for a seven yard gain. On the next play, he threw the decisive block which sprung Coffin loose for Penn's first score. This is the third time Berlinger has received the award.

Coffin compiled 180 yards rushing, including the 21 yard gully gallop for his tally. He also was instrumental in setting up Penn's last TD in the third period. He averaged 6.8 yards per carry for 136 meters, rushing him above all the other Quaker backs for the season. Coffin now has received the DP award twice for his outstanding offensive play.
