President Calls For Injunction

Washington (AP) - President Eisenhower Monday ordered the Justice Department to seek a court injunction to halt the marathon Immigration Act strike for 80 days.

The President announced a petition for an injunction which he said has been sought in Federal Court in Philadelphia Tuesday afternoon.

Eisenhower acted shortly after his fact-finding board reported failure to efforts to settle the 91-day strike.

Dr. George W. Taylor, the head of the Fact-Finding Board, Eisen-}

U. S. Immigration Called Deficient

by Edward Furnas

In the face of the fact that there are several major deficiencies in United States immigration policies which can be blamed on the job public policy at the federal level, Dr. George W. Taylor, chairman of the Fact-Finding Board, yesterday declared that the immigration system is "deficient in most respects." The conclusion was based on his examination of the immigration process as a whole.

In his report, Dr. Taylor stated that the Immigration and Naturalization Service is "not functioning as it should" and that "the current system is not responsive to the needs of the country." He also noted that the allocation of immigration quotas is "unfair and arbitrary." The report recommends changes in the current system to improve the efficiency and effectiveness of the immigration process.

Dr. Taylor's report was presented to the public yesterday, and it has received widespread attention from immigration advocates and experts.

Campus Events

DEADLINE NEAR

The deadline for Woodrow Wilson Research Fellowships is October 1st. Applications are now being accepted.

Tickets for the Student Press are available at the Student Union on campus.

WHAT IS INDIA?

Dr. Norman Brown, professor of South Asian studies at the University, will discuss the topic "What is India?" on October 7th, with two students in residence.

Frosh Elect Furia, Jacques to Posts

Furia, whose father was graduated from both the Wharton School and the University Law School, appears to have compiled an impressive activities record in secondary school. He was both president of the high school student council and editor-in-chief of the school newspaper.

Furia's interest in the field of criminal law, in addition, Furia maintains a keen interest in good literature, for he is active in the University Library's organization.

Outlines Program

In an interview with The Daily Pennsylvanian, Furia discussed his objectives for the forthcoming year in respect to the activities of the Federal Club. He intends to re-

**Why A Course Guide**

Last year The Daily Pennsylvanian published the first "Guide to Courses" to appear at the University of Pennsylvania. Such a project, while new in Pennsylvania, has a history at other schools—(Harvard produced its 4th annual "Confidential Guide" this September).

"A Guide to Courses" was well received at Penn because it fulfilled a real need—knowledge by undergraduates of courses offered, the quality of the men teaching the course, course requirements, etc. This summer a national magazine, evidently quite impressed with the Guide, told its readers that the University of Pennsylvania had overcome the weaknesses of catalogue courses.

Each day we receive requests from other schools for information about the Guide and the response from our own students and faculty has been impressive.

Therefore, we are planning another edition for distribution prior to pre-registration in November. With your cooperation, a more satisfactory Guide can be published. Please fill out the forms in this issue of the DP and deposit them at the box placed in College Hall, Dietrich Hall, the Towne Building and the lobby of the Franklin Society Building.

Doelling Praises Hanlon's Excellent Blocking;  
Needs 796 Yards For Record Rushing Mark

Jack Hanlon

Larry Purdy, led by the only brown touchdown as the amazing Mr. Choquette bailed his way over from the one to make the score 14-0 at that point. However, Penn used the famous to their advantage as they marched to their third score when Red Slate recovered a fumble on the ball and picked up another eight yards on the Quaker forward blundering to Franklin Field.

The Red and Blue did not have an easy time though, and they hurt themselves by giving up the score. The Quakers had an easy time from the point on, as the defense called back because of an illegal play. After this third down, they had a chance to catch payoffs when Doelling fumbled the ball in the Red end zone. This was the first time that a Quaker had run back a kick interception for a touchdown since 1951.

Ruggieri Tallies Three Penn Touchdowns

To Pace Freshman To Opening Victory

Following in the footsteps of Penn's other two outstanding football teams, the varsity and the jayvees, coach "Buck" Graham's freshman squad opened their season with an overwhelming 48-0 victory over Colambia at Murphy Field Saturday. This victory increased the Three Penn touchdowns with halfback Mike Ruggieri, in the most exciting manner possible. The highly-touted quarterback Jay Miller on his own. In the first quarter of this first period, ran three yards deep into the end zone, turned the corner, and then cruised into the end zone for Penn's first score of the afternoon.

Other than Miller's two touchdown passes in the second quarter, there were no points scored in the first half, and the score was tied 7-0. The second half was decided by a three points in the third quarter, as the Blue and White defense held the Quakers to two fumbles and a turnover on downs.

The improved play from scrimmage resulted in another of the Red and Blue's touchdowns when halfback Frank Steinbeck, showing the point that gave him fourth place in the Pennsylvania State Associated Press Poll as a first-year man, took the ball on the Quaker 34 yard line and dashed 26 yards untouched for a game as the Red and Blue.

Quakers Tie Brown Booters: Defense Outshines Offense

The weakness that has been dogging the football boys of the Quaker occurrence all season was resolved last Saturday and the Pennsylvanians what would have been their fourth straight victory had they been able to break a 1-1 deadlock with Brown at Providence.

Although the Red and Blue booters had ample opportunity to put the ball into the net throughout the game, they managed only one goal which came on a penalty kick due to the third period.

With stellar center halfback John Keating constantly keeping the ball in front of the Brown nets, the Quakers launched many scoring shots, but these were either wide of the mark or too weak to get past the alert goal-stopping of Brown's John Master.

The Brown Indians started the game as they were thought to be very quick with the forwards. Inside right, At Tupper took advantage of one of the rare looks at the superlative Quaker defense to put through a goal after only 2:50 of the first period.

The tally was scored when big fullback Charlie Kaimo crashed into goal, Harvey Bagg as both jumpers for the ball in a reverse of the Alphonse-Gant set of baseball notes; as both fall to the turf, the spirited skidded loose and Tupper, taking advantage of the wide goal, easily nudged the ball through the post. After this, early, blood-stirring, the game settled down into a quiet battle with the opposing halfbacks being prominent in the face of comparatively inept line play by both teams.

The Quakers were unable to tie the score until the third period was nearly gone. As 1:50 of this quarter, the referee called a pushing violation against the Brown right wing.

On the resultant penalty kick, Quaker left wing R. Millerput a low, hard boot which penetrated the lower right hand corner of the goal, rocketing past the desperate diving lungs of the Brown goalie.

Scribes’ Predictions
Bill Bates and Harvey Farve correctly predicted seven goals this week to move into a tie with Fred Haber for the lead of The Daily Pennsylvania weekly football predictions at 25-10.

H-T-Ling Bates, Stan and Haber, in Raffle Rye at the Steve Weiss at 10-12, Paul Stoln and Harry Deuch, with 15-16, and Leon Bogan at this. The consensus finished with 18-12 mark.

Bates was the only one to see Wake Forest to win and was the lone forecastor in the Oregon to defeat the powerful Penn State Academy. Everyone was fooled by the Penn State come in which Ohio State came but left after two straight obligations down to conquer a strong Oklahoma squad.

Vienna Youth Festival

Will anyone who attended the Vienna Youth Festival this past summer please contact Edward Wenden in The Daily Pennsylvanian City Room. 800 Franklin Society Building, today or before 12 p.m. tomorrow. All information is desired in connection with an article.

Old Omar has come up with another cokker of a couplet. Freely translated from the Persian:

It's what's up front that counts
If it hasn't got it there it hasn't got it

True, the lines don't scan. But what do you expect from a tentmaker—the perfect rhyme of "Winston tastes good like a cigarette should"?

We'll admit that something may have been lost in the translation. But when it comes to Winston, nothing is lost in the translation of rich, good tobacco taste. That's because up front of a pure white filter Winston has Filter-Blend—a special selection of mild flavory tobacco specially processed for filter smoking.

Winston is designed to taste good.

Or, as Omar puts it:

The Moving Lighter lights.

And having lit, Flicks off. Then you draw on it.

And bit by bit smoking pleasure.

With Filter-Blend up front, Winston's got what counts!

S. I. PARISI, PRAINCI ON, WINSTON SCAAt. R. C.
