

**MSG Assembly Revises Policy On Presidential Appointments**

A bill requesting that presidential appointments be to be approved by the Student Senate was introduced and will be heard. The bill is designed to promote greater student participation in the university's decision making process.

**Seniors To Choose Honor Men Today**

Elections for senior honor men and alumni class officers will be held today from 9 to 4 in Houston and Dietrich Halls. Senior men may write in any name in either category, but in addition to the names nominated by the faculty administration committee, it was announced yesterday.

The new voting rule has been provided to give the senior men freedom in determining whom they want to vote for. Names may be taken from the list and placed in the ballot.

Candidates for alumni class officers are Byron R. Austin, Hyman R. Austin, J. Ernest B. Bickford, Roger D. Chesley, Stanley T. Dalzell, Constance E. del Canto, Thomas E. Elgar, Frank G. Florence, Orlando Gallegos, Stuart G. Greenberg, Robert S. Grimes, James Michael Hare, Norman P. Hertick, John M. Lanak, David H. Lissy, Barnett G. Meltzer, and Robert T. Rapier. The senior men will be announced in the final ballot tomorrow, and the final honors men will be announced at 4:30.

The winners will be announced on Day Hall, a traditional date of the graduating class and was founded in 1965, the class of 1931 combined the final ballot today, and the final honors men will be announced at 4:30. The alumni class officers will be announced tomorrow, and the final honors men will be announced at 4:30.

For the first time, the alumni class officers will be announced on Day Hall, a traditional date of the graduating class and was founded in 1965, the class of 1931 combined the final ballot today, and the final honors men will be announced at 4:30. The alumni class officers will be announced tomorrow, and the final honors men will be announced at 4:30.

**Senior Women To Elect Alumnae Class Officers**

Senior women will vote for the 1963 women's alumnae class officers from a list of candidates announced by the alumnae association. The election will be held on Friday, and the final honors men will be announced at 4:30.

Candidates were nominated by senior women at a class meeting at the WLSU. One candidate is required to run for each of the classes, and the list is open to any senior woman. The candidate will be announced at 4:30.

**Radio WXPN Airs New A.M. Programs**

WXPN, radio voice of the university, has initiated a new policy of broadcasting. Under this new program, WXPN has been broadcasting exclusively programs on the AM and FM channels between 9 and 12 P.M. each weekday.

While the FM station retains its traditional role of cultural, entertainment, educational, and educational programs, the AM band has taken a program of "pop" music, interviews, and news and activities pertaining to the campus and area. AM program director, Aaron Sheldon, stated that the program is "new and different." WXPN is currently in the early stages of its development, and it is expected that the station will continue to grow and expand its programming in the future.

**A new President for I-F**

A member of the alumni fraternity, Varney was elected President on a first ballot. Like Barnett Melzer, who succeeds, Varney served as I-F Junior Student Chairman before his election to the I-F Presidency.

DARTA MONDA, Calif. - Nat. King Cole, the preacher's son whose creamy, mellifluous singing made him one of the great figures in popular American music, died Monday at 45, a victim of cancer, in a Los Angeles hospital. He was born at 3 A.M. as Mr. Cole and was his father's firstborn in St. John's Hospital. Only a week ago he felt strong enough to return to his home for a visit with his children. On Friday, he took his wife through the hospital halls and gave a statement: "THERE should be placed myself in the hands of God." His wife, Maria, took him for a ride on Sunday to ease his restlessness. Both had maintained a cheerful attitude throughout his illness. But the doctors indicated the cancer had continued to spread, despite removal of his left lung Jan. 25. Mrs. Cole was with him when the end came.

The entertainer's illness had engaged the Nation's attention since early December. He had dropped out of a Las Vegas appearance, then was forced to cancel a date to herald the opening of the Las Vegas Sands. He was born Dec. 3, 1919, with what was termed a respiratory ailment. Later it was revealed he had a lung tumor and he underwent cobalt treatments.

KOOSKYF BACCHUM FROM HANCOCK

MONTCOW - Premier Alexei N. Kosygin hustled into secret talks with Communist China and Chinese leaders in Hanoi.

Kosygin's 11-day tour through North Vietnam, Red China and North Korea is expected to play a key role in shaping Soviet policy on Vietnam.

Soviet leaders did not even wait to get back to the Kremlin to talk about it. After greeting airport welcome, Kosygin rushed into a private session with Brezhnev and other top Soviet officials for 25 minutes in an airport lounge.

The talks, Brezhnev and Kosygin drove into Moscow in separate cars. There were no statements at the airport.

The talks lasted two hours. There were no statements at the airport. Kosygin was in Hanoi during two American raids on other parts of North Vietnam last week. He promised the North Vietnamese Soviet military aid. It was his first crack at personal diplomacy in Asia since he succeeded Nikita Krushchev as Premier last October.

Mr. Johnson dealt at length with a variety of experimental anti-crime proposals ranging from the registration of pistols to an over-all movement for the transformation of the criminal justice system.

Mr. Johnson recommended registration of pistols as "an appropriate first step" toward better control of firearms. In addition, he said some citizens might be referred directly to social agencies rather than the courts.

Mr. Johnson also called for transformation of historic Penn-

The Honor Men system
Take A Long, Hard Look

BY MARK SCHLECHT

Every so often it comes within the grasp of an individual to raise the level of his exist- ence one notch higher. To set a goal for a College education. Most human beings have achieved the good sense and inherent desire to grasp it.

The student body once again has before it the opportunity to adopt the honor system. The opportunity to give to their college years some dignity, mutual respect, and the satisfaction that can, and should, exist in an intellectual community.

For once, thanks to the dedication of Dean Berry, the University is attempting to enable the student, himself, to control the quality of education at the University. To instill in the undergraduate student body, and the University administration, the policy of developing a system that can make Pennsylvania an enriching and stimulating experience for all undergraduate students.

The cold, hard truth is that no individual can be forced to report another, since whether or not the student does so all rests purely on the chance that he witnessed the infraction. If a student so unwise as to be unable to handle the responsibility this clause imparts, all he need do is bury his head in the sand and simply not notice the infraction.

This is obviously true both in student and outside examination, but for this reason, organizations often exhibit exaggerated enthusiasm for the honor system. For the basic job of its enforcement can only be positive, and successfully done in the light of the following considerations.

Investigating The Basement

What's The Matter With You, "Can't You Read Signs"?

The Houston Hall Store con- sumers, not often under a strict re- striction, will be receiving waves of visitors during the coming weeks. After five months of har- rassing or perhaps improving the Dormitory cleaning service, Pennsylvania's efficiency planners have now shifted their attention to the basement retailers to determine future policy for the under-staffed, poorly managed operations which is usually considered in the public relations report of the University.

The study, to be conducted by Penn's own time and motion experts, operating from their 300 Walnut St. offices will probably benefit from the efficient store operation in the Red Braceland Hall location. The first problem to be investi- gated is the rising wave of complaints that have not been there since January 1. Despite large sales increases, these stores have probably kept operating re- sults in the red. This deficit has been instrumental in reduc- ing improvements in service and merchandise to minimum levels. Thus, reducing this estimated $30,000 annual loss to normal proportions could yield a long way toward answering the prevalent complaints that plague Houston Hall Store. Easing patient moral- ity regulation and a return to honesty, potential solutions must lie in the areas ofapolitical justice which will probably study proposals to em- ploy retired guards to protect store entrances, checking stupid bags, a system already successful at both Princeton and Yale.

Employment Levels

Regardless of the policy deter- mination, the investigators must decide on new em- ployment levels at the store. The present personnel must work 60-70 hours a week because of unorganized work procedures and a staff 50 percent lower than com- parable University stores. Ro- mantic and so more help have been the continuously old-fashioned store manager so that the book store budget is so ex- amined most sandwich planning functions between the common manner of this time.

The question is whether or not the system can be maintained. The University, however, has been instrumental in reducing this deficit to the point where it can hold up in the red. This deficit has been instrumental in reducing improvements in service and merchandise to minimum levels. Thus, reducing this estimated $30,000 annual loss to normal proportions could yield a long way toward answering the prevalent complaints that plague Houston Hall Store. Easing patient morality regulation and a return to honesty, potential solutions must lie in the areas ofapolitical justice which will probably study proposals to employ retired guards to protect store entrances, checking stupid bags, a system already successful at both Princeton and Yale.

Fellowships for Women Available at Harvard Business Grad School

Fellowships "for women only" included in the enlarged financial aid program at the Harvard Graduate School of Business Administration underwrite the college's potential for women's business management.

Dean Jonathan Lippincott of the Harvard School of Business Administration remarked that in the academic year 1962-63, 20 tuition fellowships had been awarded to women students. Thirty-six other candidates were considered for the scholarships, which cover tuition and financial aid to support living expenses.

Of the 15 women now at Harvard Business School, who have successfully completed the two-year M.B.A. course in business management, five are from Radcliffe College. Another five are from Stanford University, and ten are from various universities, including the University of Pennsylvania, New York University, Stanford, and Michigan State.

Dean Ralph W. Riggs of Harvard Business School pointed out that these fellowships are a "symbol of maturity and the determination of young women to achieve the highest level of excellence in the business world."

Director of the Financial Aid Program, Professor Charles H. Lippy, said that the School had made an impressive effort to attract college graduates, both men and women, for its M.B.A. program. The 15 women now enrolled at the School represent more than 60 tuition fellowships awarded to women.

Although the School has not yet one of the custom of awarding degrees to women college graduates, women have been admitted to a prominent position at the Harvard Business School. This year, women have been appointed assistant professor of business administration, a position which is usually held by men.

The School has made a significant move in the appointment of women to administrative positions. The School's current administration includes women in key positions, such as the Office of the President, the Office of the Dean, and the Office of the Treasurer.

In the academic year 1962-63, there were 15 women enrolled at Harvard Business School. These women represent the first group of women to achieve the highest level of excellence in the business world.

Women are represented in the School's faculty and administration, including the Office of the President, the Office of the Dean, and the Office of the Treasurer. The School has made a significant move in the appointment of women to administrative positions. The School's current administration includes women in key positions, such as the Office of the President, the Office of the Dean, and the Office of the Treasurer.

The liberal arts education of young women, the Lucy Stone League of New York, which also has a strong interest in the education of young women, and the School have made available a fellowship for women entering the M.B.A. Program. In addition, women M.B.A. candidates are eligible for a number of scholarships offered by the Harvard Business School. Applications for any of the women's fellowships should be submitted to Harvard Business School immediately.

Methodists Recommend Tolerance of Drinking

Liberals regarding student drinking are recommended to the church's official student, which is abstinent.

The policy is recommended to the church's official student, which is abstinent. Those who favor this proposal often are: Dr. Ralph W. Deck, director of the Methodist Board of Education's department of educational institutions; Dr. Lawrence A. Biggs, dean of students at the University of Pennsylvania, and Dr. Charles R. Lippy, senior student leader and editor-in-chief of the Dickinsonian of Dickinson College.

The latter looks upon drinking as an "irresistible catch" to which some students cling as a source of relief from problems. What is needed in the problem, Dean Biggs states, is a more aggressive educational program regarding alcohol.

The problem, he thinks, boils down to a "question of values." On the basis of varying social and religious values, he holds that an individual's feelings of approval or disapproval of drinking is a question of values, and it is an "irresistible catch" to which some students cling as a source of relief from problems.

As a student leader, Dr. Deck, dean of students at the University of Pennsylvania, and Dr. Charles R. Lippy, senior student leader and editor-in-chief of the Dickinsonian of Dickinson College.

The latter looks upon drinking as an "irresistible catch" to which some students cling as a source of relief from problems. What is needed in the problem, Dean Biggs states, is a more aggressive educational program regarding alcohol.

The problem, he thinks, boils down to a "question of values." On the basis of varying social and religious values, he holds that an individual's feelings of approval or disapproval of drinking is a question of values, and it is an "irresistible catch" to which some students cling as a source of relief from problems.

A bill allocating two-five dollars for the preparation of literature for the abolition of sales tax on textbooks was passed, as well as a bill authorizing the study of the trend at the University of Pennsylvania toward devaluing school spirit.

This summer, adventure through EUROPE
TWA has the right tours at the right prices.

Would you like to sun-bathe on the Mediterranean? Browse in
the Louvre? Live with a family in Spain? Or just roarrj through
Rom? TWA offers you the adventure of your choice, from
14 to 68 days, at a reasonable price. You can visit Europe's
historic sights, hear delightful music, watch sparkling
drama. Tours also combine sightseeing with college
courses at famous universities.

You travel with people your own age and meet people
of your own age in Europe. Explore the most interesting
places in England, France, Spain, Italy and many other
countries. All accommodations are reserved in advance.

Travel by comfortable motorcoach, or visit out-of-the-
way towns and villages by bicycle. Whenever you want
to go, whatever you want to do, TWA has a tour that suits
you perfectly. For further information, see your travel
agent. Or contact your local TWA office.

WAXIN

(Continued from page 1)

A special feature of the new program will be the broadcast-
Thursday night from 8-10 P.M. of the current show ap-
pearin at the Second Fest, Phil-
adelphia's original and original
folk-emporium, the mainstay
of the folk-music
scene. The
show will feature
folk-singers and their
music, from the very best
to the worst. The
show will be broadcast
from the vicinity of the
Philadelphia Folk Festival,
and will feature some of the
best and most famous
folk-singers, including
Bob Dylan, Joan Baez, and
Peter, Paul and Mary. The
show will also feature
intermissions and special
guests, and will be
aired on the local radio
station.
CAMPUS EVENTS

University Agenda

- APU/GSB - Your Big opportunity to join a service organization that does help people, recruits Scout troops, and runs an annual book sale. All are welcome.

- APO/GSS - Meeting of pledges at 1 p.m. in the MAT.

- ANSW - Meet for dinner at 7 p.m. in the Franklin Room of Houston Hall.

- Law School and the College.

- Debate - The Debating Society will hold an intercollegiate debate today at 7:30 p.m. in Dietrich Hall. The topic is between the Law school and the College.

Activity Notices

APU/GSB - Meeting of pledges by officers and committee chairmen tomorrow at 7:30 in Auditorium A-2.

ALPHA CHI SIGMA - Meeting today in room 106, Chem. Labs. Dr. Erkley will speak on "Clay Minerals." Important meeting; voting will be done. Attendance is required.

BASEBALL - Meeting for all varsity candidates Wednesday, Feb. 17, at 3 p.m. in the Indoor Recreation Center.

CAMPUS CREST - Important meeting of new Sorority Board, Wednesday, Feb. 17, 6 p.m. in the Franklin Room of Houston Hall.

DEBATE - The Debating Society will hold an intercollegiate debate today at 7:30 p.m. in Dietrich Hall. The topic is between the Law school and the College. Controversial discussion and some fun. All invited and welcome.

STUDENT TUTOR SOCIETY - For the Whol**itory, visit MORE MOTORS INC showroom. You'll find • a new and inexpensive .... and the folk's would dearly love to hear your voice.

Good Intentions

Once you've finished typing that term paper, you must write to home. But be honest - will you do it? We recommend a phone call. It's quick and inexpensive ... and the folk's would dearly love to hear your voice.

The Bell Telephone Company of Pennsylvania

The Daily Pennsylvanian
The Debate Council Will Sponsor An Extemporaneous Debate Between The Law School And The College

All Invited And Welcome

Tuesday, Feb. 16 7:30 P.M.
Dietrich Hall E-8

Tuition

(Continued from page 1)

Financial aid in the graduate schools will be increased to keep up with the change in tuition. Aid for graduate students has been substantial with, for example, one out of two students in the School of Medicine receiving financial assistance.

Honornmen

(Continued from page 1)

The bowl is the second oldest rivalry dating back to 1865 when "Bowl Fight" was held between the freshmen and sophomore classes. This continued until just before World War One when a participant was suffocated in the snows. A new fight originated in 1890 and lasting 5 years maintained a similar rivalry between these two classes.

Honorwoman

(Continued from page 1)

A man may contribute. This money will go toward mailings and alumni get-togethers.

The elections committee is putting out an election preview the day before the election. It includes pictures and qualifications of nominees for all women's class offices and for the women's athletic association president.

Voting booths will be in Bennett Hall and College Hall from 8-5, and in Women's Residence Hall 12-7. Students will have to have their plastic identification cards to be allowed to vote.

From the Pressroom

Pulled down 26 rebounds.

The Penn freshmen hooovers, fresh from a 196-0 rout over Peirce Junior College, had the Villanova Wildcats this evening in a game that should determine first place among the Big Five frosh squads.

The game with Peirce last Friday gave Coach Dick Harter a chance to look at all the boys, and the Quakers didn't break the game open until the second half when the tall-front line began to dominate the game under the boards. Larry Frank grabbed ten rebounds and scored 25 points to lead all scorers in both categories. Tom Mallison played a killing all around game and netted 19 points.

3 Jobs Named Bill

After the Penn five gained the lead early in the second stanza a chance to impress him and three subs named Bill did just that last night against Peirce, Bill Small, and Bill Collier were two men named servers and may score more action against the Big Five. The new subs were a big factor in the game, however, was John Diehl who played the first 20 minutes, scored 10 points to cap off a very productive night. The mighty Baumb chalked up 41 points and pulled down 26 rebounds.

Holds Two Penn Records

JAY EBERHARDT, Co-Captain Of Men's, Tom Molozewski In Quaker History

By LARRY KRONH

When in the water, Jay Eberhardt, co-captain of the Penn swimming team, is a man of many talents. He is an expert in the butterfly, individual medley and backstroke. He is, in fact, the best medley man Penn has ever had.

In his previous meet, Eberhardt holds the Quaker records in the individual medley and the backstroke. The former mark was not last year, when Eberhardt swam the medley in 2:16.4 at Princeton. On Saturday, his 2:16.4, in the butterfly, smashed a four-year-old Penn record. One might think that Eberhardt had been swimming for many years. Such is not the case. The tall senior did not learn to swim until he was fifteen years old.

School High Sprinter

A year after learning to swim, Eberhardt was competing for the Upper Darby High, finishing thirteenth in the 220 yard dash and twenty-first in the 440 yard dash.

No one was happier than coach Campbell when his star student was accepted to Penn. In the beginning of his college career, Eberhardt had set new high marks in grazing 200 and 500 yard free-style events.

Mr. Campbell felt other areas, though, and decided to convert Eberhardt into a medley. He has never regretted the decision and undoubtedly never will.

Eberhardt has spent every summer since 1961 swimming, under the direction of coach Campbell, in AAU competition. He hopes to do the same this summer but probably will not have time for competition after that.

A resident of nearby Lansdowne, Eberhardt stands 6'2" and weighs 175. Now 21 years old, he has attended Penn for three years, 1963-65.

Falcon's Top

Ivies 120-19

Form held true yesterday in the Independent and Dormitory League basketball games at Hitchcock Gymnasium. Eleven clubs went into the games with perfect records and all but one emerged with those records intact. The Falcons, defending champions of the Independent League, stayed undefeated in the Schoolship Division of the League with a record of 14-0-1 against the Society Hill. The Falcons will meet the Dublino's, who also have a perfect slate, Wednesday night at night school division. In the Delaware Division, the Neuman Club has already established the championship.

Two undefeated teams met in the Dorf League's Woodland Division, with the Bankers outlasting the Buffoons 32-26. In the 17th Annual Harrisburg Classic, the Hiders and the Packers kept their perfect records intact, as they warmed up for their tit Thursday showdown.

The Speakers and Flyers both won and stayed undefeated, while the Spurriers, Hamilton Division, in the Sprite Division, Wheat Choppers, went 2-0, with a 12-7 victory over the air-winning Stallions.

Owens Stars As

Deke Wins Relays

Rick Owens turned the Annual TEP Relays into a one-man show at Franklin Field yesterday, leading Delta Kappa Epsilon to the plume of prestige.

Owens, a freshmen track star, turned in sparkling performances in both the preliminary and final heats.

When he hit the baton on the second leg of his relay at the meet against Villanova, the night before Baum of Peirce, who tallied 26 rebounds, had lost his footing and his balance. He was able to get out of the car, but "I felt a pain in my back," he said, "so I moved, and it was tough even waiting for a while." he added; "I'll be back for the games this week." It's not too bad, though,":

Owens, who was named the Outstanding College Athlete of the Year by the National Sports Club, will be at Franklin Field next Saturday, the TEP Relays.

FROST BLADES PREVAIL FOR FIFTH STRAIGHT WIN

By STEVEN PERKINS

The freshman fencing team barely remained undefeated with a 10-7 victory at Girard College, Saturday. In what was supposed to be a walkover, the Quakers were stymied by several factors. First of all, they were losing away and that forced them to bring their own electrical equipment to the meet. Also, since Girard College was near by, they had to travel to public transportation. With these two hardships added to the fact that they had to fence a high school team, the Frosts blades were all but a disadvantage.

Only 17 Hours

High school leavers do not fence as an entire 27-man meet as is done in collegiate fencing. Instead, they have 17 or 18 teams meet with six fencers and five open categories. Since the Quakers are quite strong in the foil category, they were hurt by this change of rules.

The young blades did, however, move on to meet the 17-4 lead — just one point short of victory. Then they lost their next four bouts to tie the meet at 5-7. At this point the Quakers found themselves and went on to win the rest of their bouts and the meet, 10-7.

Brian Lewis, who has only one loss for the entire season, won both of his final bouts, and Todd Miller confirmed his unsullied record by winning both of his bouts in the sabre division.

Baseball Meeting for all Varsity Coaches Wednesday, Feb. 17, at 3 PM, Training House.
