**FRATERNITY RDY, otherwise known as Utica Hill, is the heart of the campus.** By Stephen Harne

righ.ts it is often noisy and crowded by humanity but becomes the heart of activity. The university's...
Big guys ....

Ivy League football is not of the same breed as Big Ten football or any other breed of the sport. The basic rules are the same, but the spirit behind it all is not.

Every effort against non-leaguer foe, Bucknell, signaled a rebirth for the sport at Pennsylvania. Over 12,000 excited fans thronged Franklin Field to watch the Quakers out for the tenth consecutive year in a season opener.

For the Pennsylvanians, students, taking advantage of free tickets, getting into "non-den" stadium was a major accomplishment. Only four games were available, creating three halfway back to the men's dorms and giving students ample time to appreciate the inch by inch refinements they were carrying.

A second audience senses that the Athletic Department that has attempted to increase attendance at home football games has been nothing but an empty master of the liquid assets.

For some reason, although winning the opener was not easy, Saturday's victory was encouraging. Pre-season selectors had cited Pennsylvania for the lower depths of the Ivy League. Although one game is not necessarily indicative, we foresee a considerably higher finish.

Coach Bob Oblod, now in his fourth year at Pennsylvania, has done a remarkable job. He has molded athletes into the football program and has allowed them to forget their reason for being at this university. We sincerely congratulate Oblod on his victory and are looking forward to move more, in the near future.

... and little guys

It seems a shame that when football spirit seems to have found a source at stadium, winning varsity football squad will bow in, Providence, this Saturday for the first Ivy League game of the season against Brown.

In fact, every Pennsylvanian athletic team with the exception of the lightweight football squad will be away, in Providence, this Saturday, and counting on playing in Franklin Field.

The only team playing at home will be the lightweight football squad, which is one of the best in that sport. Last year, Pennsylvanians defeated Army at West Point, field with seats for spectators and an excited cadet contingent in attendance.

This year's game will be played on Murphy Field where all action is played to standing-room-only crowds, not because of popularity but because there are no seats.

The Pennsylvanian won was supposed to have been played in Franklin Field, but it has been moved to Murphy Field and the pre-professional Philadelphia Eagles will play Army which is one of the best in that sport. Last year, Pennsylvanians defeated Army at West Point, field with seats for spectators and an excited cadet contingent in attendance.

This year's game will be played on Murphy Field where all action is played to standing-room-only crowds, not because of popularity but because there are no seats.

While the Interfrateraity Council has continued its efforts to improve the fraternity's image, it has always been an option to those interested in joining a fraternity to start with specific rushees. To acquire acquainting the candidates with the fraternity he wishes to visit, interested in fraternities would fill out an inquiry of the fraternity, which is a good one and could be an official one.

One denies fraternities at Pennsylvania need not only created and continued by the members or one-third of a brotherhood, they must issue invitations to all those who wish to enter and to increase the living experience of the University.

The immediate problem following the rush is the extensive cultural or literary inferences, and a desire to make an impression. Fraternities have their rules, their humor, but for their incorrectness of the rules they are in danger for being rejected for financial, President's Council, or in a group of people who are not only at the college but the intellectual fraternity like The Philo.

Sculock heads research office

Ragoon became the first female Director of the office of research administration, Protestant Medical School.

Sculock replaces Ellen R. Dodge who has joined the staff of the University as director of research administration and planning.

Sculock represented the University at the Texas Medical Association meeting, the Texas Board of Medical Examiners, and the American Medical Association annual meeting.

Smith to direct medical planning

John Smith has been named director of the Office of Medical Planning at the University.

Smith will be responsible for the development and planning of medical facilities and services.

**BIG PROBLEM.**

This lean, little Honda 125 Super Sport can be the answer to a lot of problems besides parking.

Consider price. You can buy this beauty at an impressively low initial price; fuel it for a fraction of what you'd spend on a four-wheel gas guiner. And, of course, there are the pleasantly careless costs of maintaining and insuring a Honda.

The 125 Super Sport proves lightweight economy with red hot performance features. Its dependable four-stroke parallel twin engine produces a dazzling 13 bhp; acceleration that matches the best of them.

And styling. The 125 Super Sport is nothing but class from its streamlined pipes to its sculptured tank to its rugged telescopic front forks. The sleek and sassy 125 Super Sport is there a better way to solve your problems?

**HONDA**

Soccer team blanks Haverford; coach calls game ‘one sided’

By STEVE MCLLHILL

"It was a close call on all the free kicks," said Varsity soccer coach Bob Saddin after the Quakers defeated Shippensburg Academy 7-0 in the second round of the NCAA tournament.

The Quakers, who have been ranked fifth in the nation all season, dominated possession and created numerous scoring opportunities, but were unable to capitalize on them until the second half.

In the 35th minute, senior midfielder Mike Shannon, who had been quiet up until then, netted the first goal of the game on a penalty kick.

The Quakers continued to pressure the Shippensburg defense, and in the 46th minute, junior forward John McMillan doubled the lead.

This was the start of a dominant second half for the Quakers, who scored a total of five goals in the 40th, 54th, 61st, 71st, and 89th minutes.

Coach Saddin said, "I was pleased with the team's performance in the second half. They were able to control the game and create opportunities despite facing a tough opponent."

The win moves the Quakers to the quarterfinals of the NCAA tournament, where they will face their next challenge.

St. Louis' Gibson sets strikeout mark as Cards beat Tiger's; 4-0

By JIM McCLELLAN

The St. Louis Cardinals defeated the Detroit Tigers 4-0 on a cold day in St. Louis.

The Cardinals' offense was led by rookie catcher Bob Gibson, who had four hits in four at-bats, including a home run.

Gibson's home run in the third inning was the first hit of the game for the Cardinals, who scored all four of their runs in the inning.

The Tigers' defense was solid but was unable to prevent the Cardinals from scoring in the third inning.

"We had a couple of runners in scoring position, and I was glad to see Bob get the hit," said Cardinals manager Red Schoendienst.

The Cardinals' victory avenged a 2-1 loss to the Tigers earlier in the season.

"It was a great day for the Cardinals," said Schoendienst. "Bob Gibson was outstanding, and our defense played well."

The Cardinals are now 7-2 for the season and are in first place in the National League.

New confidence helps end Blumenthal in starting role

By B. BADEN

"This year is entirely different," said Mike Blumenthal, who played in his first game of the 1968 World Series.

Blumenthal replaced Bernie Zbrzeznj in the starting lineup and played a solid game.

"I was a little nervous at first, but I was determined to prove myself," said Blumenthal.

Blumenthal's performance was key to the Cardinals' victory over the Tigers.

"Mike did a great job out there," said Cardinals manager Red Schoendienst.

Blumenthal's confidence has grown over the season, and he has become a vital part of the Cardinals' starting rotation.

The Cardinals are now 7-2 for the season and are in first place in the National League.
