Assembly Plans To Select PCC Member Tonight

By JANET NOVACK

The university Assembly will select a representative to the newly-formed University Committee on Public Charges (PCC) tonight at 8:15 in the Assembly parking lot. Assembly President George Schwartz said that the Assembly would vote on a resolution to join the Pennsylvania Student Association. To Select PCC members, the Assembly would vote on a resolution to join the Pennsylvania Student Association.

The proposed new body would have a strong interest in the Student Senate and other student bodies. The PCC would be created as a body to address the needs of students and the university. The PCC would have a strong interest in the future of the university, as well as the future of higher education in the state. The PCC would also have a strong interest in the future of the university, as well as the future of higher education in the state.

The meetings organized by the Assembly have been attended by an estimated 5,000 students. William S. Weisman, chairman of the Board of Trustees at Pennsylvania State University, said the Assembly is an excellent way for students to participate in the decision-making process. The meetings have been well attended, with an average of 2,000 students attending each meeting.

The program is the result of the Assembly's efforts to involve students in the decision-making process. The Assembly has been working to involve students in the decision-making process, and the meetings have been well attended. The meetings have been well attended, with an average of 2,000 students attending each meeting.

Scott Thomas, president of the Assembly, said the program has been well attended, with an average of 2,000 students attending each meeting. The meetings have been well attended, with an average of 2,000 students attending each meeting.

New members have been elected to the Assembly, and students have been involved in the decision-making process. The Assembly has been working to involve students in the decision-making process, and the meetings have been well attended. The meetings have been well attended, with an average of 2,000 students attending each meeting.

Meyer Opens Museum-Housed War and Peace Symposium Series

By JANET NOVACK

President Meyer opened the first meeting of the War and Peace Symposium Series at the university yesterday. The symposium is being held in conjunction with the university's 100th anniversary. The symposium is being held in conjunction with the university's 100th anniversary.

President Meyer opened the first meeting of the War and Peace Symposium Series at the university yesterday. The symposium is being held in conjunction with the university's 100th anniversary.

An integrated program between the universities, Oler said, will prevent any credit problems. An integrated program between the universities, Oler said, will prevent any credit problems.

Urbanization and Community
A dozen students were mistakenly closed out of US 9 by a computer error. Come back!

An analysis of urbanization and its social consequences. This course examines the search for community in the modern American city. It explores the tension between planners and neighborhoods, and several approaches to citizen participation and community control. Students research the background, problems and activities of Philadelphia communities. Discussion with planners and organizers engaged in the field. Hill House Board Room, Tues. 3-5.

Focusing on "spiritual themes, moving beyond this world," Philadelphia artist Michael Shelton creates "abstracts and madam. surrealism in something complex," in his paintings on exhibit at Vischer, the W.E.B. DuBois Residential Gallery.
Shelton's paintings are enigmatic. "All media have loads properties so why not utilize them," he explains. He uses oils, acrylics, and pastels, as well as glass and the air brush, which creates an effect similar to spray paint. Shelton went through "many stylistic changes" before arriving at his present style, which he says lies "somewhere near classical, rock, folk, pop.

Music/ group combines classical, rock, folk, pop
By KELLY ANSELMEN
Paul Winter has built a musical bridge that spans the gap between the "orchestral" music of academic tradition and the "free form" of rock, folk and pop.

Bearing the Brunt

The decision to eliminate student discounts at the bookstore while keeping intact the faculty's subsidy of as inequitably as possible is undoubtedly an unfortunate action of the Administration.

To its credit, the Administration has taken a balanced budget approach, which means that the university will be able to make budget cuts while maintaining its commitment to providing quality education for its students. However, this budget approach cannot be sustained indefinitely. The cuts will have a negative impact on the quality of education and the learning environment for students. Furthermore, the cuts will also affect the faculty, as many of them will have to reduce their teaching load in order to maintain their financial stability.

Changing Undergraduate Moods

By Humphrey Tonkin

How accurate are generalizations about changing undergraduate moods? This was one of the questions posed by a recent report on theChanging Undergraduate Moods

By Humphrey Tonkin

How accurate are generalizations about changing undergraduate moods? This was one of the questions posed by a recent report on changing undergraduate moods. The report notes that there have been changes in the attitudes and priorities of universities in recent years. For example, the report states that there has been a shift from traditional to more practical affairs. This shift has led to a growing concern about the state of the American economy, especially in the South. The report suggests that this may be due to the increasing popularity of the South as a tourist destination for students from around the country.

The report also notes that there has been a growing concern about the state of higher education in the United States. The report notes that there has been a decline in the quality of higher education in recent years. This decline has been attributed to a variety of factors, including budget cuts and cuts to the number of faculty members.

When Labelle recently became the third rock act to play New York's Metropolitan Opera House, there were over a thousand people turned away at the door. Inside, a standing-room-only crowd spent most of its time on its feet anyway, in response to the soaring, special magic of Labelle.

Labelle: the incredible vocal ballistics of Patti LaBelle, Nona Hendryx, and Sarah Dash. Silver-plumed nightbirds from some other world—putting R&B together with R&R and coming up with a sound that's fine and flashy.

Hear it for yourself on Labelle's new album, "Nightbirds."

Silver soul at its best. On Epic Records and Tapes

News in Brief

Mills Enters Hospital

WASHINGTON (UPI) - Rep. William Mills, died in Bethesda Naval Hospital Tuesday, complaining of exhaustion, as House Democrats hailed his power as chairman of the Ways and Means Committee.

"I'm tired," colleagues quoted Mills as saying shortly after the Arizona Democrat left for hospital in Bethesda, Md. "I'm exhausted."

Speaker Carl Albert disclosed that Mills - who appeared on stage with soap/support Paine in Boston during Monday's roll call in San Francisco was in bed that morning when he said that he, "We're not you sick." Albert said. "He said, yes. I am sick." Albert then disclosed that Mills had entered the hospital after the Democratic caucus, competing all party members elected to the new Congress, voted with no audible sound to increase the size of the Ways and Means Committee from 23 to 25.

Congress Overrides Veterans' Bill Veto

WASHINGTON (UPI) - By votes of 254 to 12 and 10 to 2, the House and Senate Tuesday reversed President Ford's veto of a bill increasing Veterans' educational benefits by $11 billion.

Ford had anticipated defeat in his pro-Vets veto effort, made the gesture anyway as a symbol of his determination to fight inflation by gesture anyway as a symbol of his determination to fight inflation by sending them a letter. **Symposium**

(Continued from page 1)

"I think there are many closet global community types here who are afraid to announce it," he quipped.

"Mendlovitz called for "the development all over the globe of a set of social movements moving directly into political action." He said, "We must establish a legal regiment over the globe where every human being has a right to 2,100 calories a day of food intake."

"Ierasimov asserted the "earth is divided into separate sovereign states and we must work with it.""

**Rizzo**

(Continued from page 1)

"backing. Kizzo then would enter the November election as a third party candidate. "But what's a party label mean today?" local journalist Tom Fox recently wrote. "In a three-man race in November, the Big Bambino would win it like a Citation."

"Stewart said although the University "hasn't made as much progress as we would hope" in building a constructive relationship with the city, Rizzo "has indicated" efforts will continue to involve University faculty, students and research in solving Philadelphia's problems."

"I will look forward to continuing to work with him should he win and I will look forward to working with his successor" should Rizzo lose, Stewart said.

Wrestlers Open up Convincingly, Crush Weak Lafayette Squad, 30-8

By DAVID SCHREIBER

The Penman Pioneers rolled at the Palestra yesterday. No, it wasn’t Penn's top 30 basketball team that was shooting an opponent in submission with over 120 points. It’s January, and the wrestling team is staking its claim at the Palestra in the first meet of the season. Over the weekend, Penn’s wrestling team opened its season with a 30-8 win over Lafayette in the Palestra.

The fun started early for Coach Gary Ciszar and Larry Lomachy's team. With a 1-0 lead in the opening match of the day, and they pinned another opponent midway through the second period to give the Quakers a perfect 30-0 lead. Dewey Gallatin lost to the 154-pound John Holton (136.0 lbs.) right back with the second opponent who was vulnerable on a pin.

Ciszar, wrestling in the first match, had his pin. He pinned his Lafayette opponent in 2:06. The second round down to the 154-pound match. The first of the day. Bingle at 141 pounds was the next match for Penn, 58-65, and this

Squash

BY JOHN IRWIN

As this was finally going to be the year, the year that the intercollegiate Penn squash teams would finally show some improvement, the Squash team was the obvious place to start.

The script played itself out beautifully for the first eight games. Penn ramped up its scoring with a 7-3 victory over the Princeton, where it defeated 17 of the 19 Florida State. It was a strong showing, even getting knocked off by the Tigers by that same 5-1 score. The Quakers were on a roll, with a number of national champions pushing their way through the teams.

It would have been, however, the same team. The Quakers were on top of their game, with a number of national champions pushing their way through the teams. But this was the year that the squash team was the obvious place to start.

The season so far has been nothing to write home about. The Quakers have not scored at all. In fact, Penn has no team this year. But this was the year that the squash team was the obvious place to start.

Fencing

BY LEE FRANKEL

While most of the students were out of town for the weekend of the season’s first three meets, the fencing team was hard at work in preparation for the season’s first three meets. The team was working hard to prepare for the opening meet against Lafayette.

The Quakers’ winning streak continued as they defeated their third opponent in as many weeks. Finishing up the day with a 75-38 rout over the Leopards in the first meet of the season.

The Quakers were up by 20-0 after the first set, and they didn’t let up, winning the second set 20-0. The Leopards couldn’t keep up with the Quakers, as they dominated the third set 25-5. The Quakers won the final two matches on the day, 20-0 and 25-5, to finish off the romp.

The victory over Lafayette Squad was something to smile about, as the Crimson whipped the Red and nine, 6-3, and it was a good mark to start off the season. Victory over Weak Lafayette Squad proved deceptive and slipped under the team’s grasp.

Penn JV Icemen Top St. Nicks in 3-2 Tilt

BY PAUL BRUGGER

Considering last night’s JV hockey game, head coach Bob Cragg ought to be pleased at his team’s performance. The Ukraine JV team put together a good game. Judging from the performance at the Class of ‘19 Finals, the rest of the team might find themselves in a tough position.

But first, let’s talk about the JV team. The team’s performance was nothing to write home about. The team didn’t score in the first period, but they were in the game. The team was able to put some shots on goal, but they were not able to finish them off. It was a frustrating game for the team, but they were able to find a way to win.

Yale dominated play as it contained the Quakers, who were unable to score. Yale scored two goals in the first period, with just 1:40 left to go. The team was down 2-0, but was able to come back to tie the game with 6:48 left in the period. The team was down 3-2, but was able to come back to tie the game. The team was able to put some shots on goal, but they were not able to finish them off. It was a frustrating game for the team, but they were able to find a way to win.

The Leopards were in place for the first time in yesterday’s meet in back to back games. Yale was able to use the back to back games to their advantage.

But later in the first stanza the Quakers found the winning moment, as they outskated and outshot the Bulldogs, 20-0, at the Class of ‘23 Kink to register the victory. The Quakers wasted no time taking command as they outskated and outshot their opponents, and were able to build a 2-0 lead in the opening period.

Freshman George Breen’s upset in the 3X free (27:47), Andy Bolden’s first place in the 4X individual medley (3:32:12) and Lewis Tyrs’ victory in the 2X butterfly (1:08.14) over the Penn bowling team sent the victory over the Bulldogs to the final of the meet.

The victory over Lafayette Squad was something to smile about, as the Crimson whipped the Red and nine, 6-3, and it was a good mark to start off the season. Victory over Weak Lafayette Squad proved deceptive and slipped under the team’s grasp.

Penn JV Icemen Find Winning Track as Elis Succumb, 8-2

BY ROBIN LIPPITT

With the team’s performance in mind, the focus of the meet against Lafayette Squad was on the distance races.

The victory over Weak Lafayette Squad proved deceptive and slipped under the team’s grasp.

The victory over Weak Lafayette Squad proved deceptive and slipped under the team’s grasp.

The victory over Weak Lafayette Squad proved deceptive and slipped under the team’s grasp.
