Lamenting a Brother's Death

By Alison France

I try to convince me, Omega Psi Phi calls for a season of mourning. What about the pledge period that Robert was in? Telling me that a fraternity brother: a pledge period that Robert was in.

I've read so much about the weeks that are spent and the things that happen. I've read so much about the danger that there is in the pledging of one's belonging. I know that my brother's spirit can be heard in the cries of those who have heard his name. I know that my brother's spirit can be felt in the touch of those who have touched his hand.

My joining a fraternity has nothing to do with the pledging program. My joining a fraternity has nothing to do with the pledging program. My joining a fraternity has nothing to do with the pledging program. I am a member of the Phi Kappa Psi fraternity. I am a member of the Phi Kappa Psi fraternity. I am a member of the Phi Kappa Psi fraternity. I have learned that the pledging program is only open to those who are willing to accept the risk of pledging.

If Robert had survived the pledge period and it had not been an Omega Psi Phi fraternity, he might have had a second chance at campus with his newly-found
division. I know that my brother's spirit can be heard in the cries of those who have heard his name. I know that my brother's spirit can be felt in the touch of those who have touched his hand.

The End is Not So Near

College Houses Served At 1920 Commons

(Continued from page 1)

A plan currently under consideration calls for the expansion of 1920 Commons to move to 36th Street. This location is now occupied by the Landing Point Bookstore, assistant to the Vice-President of Auxiliary Services in operations. However, McGrath said he had no idea when the new facility would be ready because the university was very busy trying to get the additional Dining Service location, noting it would be "in the best interest of everybody." Stouffer House Master Fred Karuev said he wasn't sure if a proposal to build an extra recreational room of Stouffer Triangle was ever made. A plan for the conversion of the basement area into a dining facility was rejected earlier in the year by Provost Ellen Scharf.

"The Class of 1977 will apparently become the sight for college house dining facilities," said Michael Hill, Drake's dining manager. "The separation of the basement area into a dining facility would be in the best interest of everybody." Hill said last week that a proposal to move to 38th Street in the location now occupied by the Listening Booth record store. Assistant to the Vice-President for Operational Services for Dining, Robert Hill said Sunday that he didn't think the Stouffer basement facility was rejected earlier in the year by Provost Ellen Scharf.

"Walking across the one block is their recreation room. However, over Cornell," said Tuppeny. "But I guess everything turned out all right." With Cornell now out of the way, the Quakers can concentrate on the upcoming Penn Relays with the knowledge that they have completed Tuppeny's eighth straight undefeated dual meet season. "I was a little concerned about possibly having to run the 3000 meters for the first time," said Tuppeny. "I was a little concerned about possibly overlapping Cornell," said Tuppeny. "But I guess everything turned out all right."

Road Blues Continue As Netmen Lose Twice
Coach Al Molloy and his squad of Quaker netmen journeyed north this past weekend in hopes of winning their first road match of the long season. They

First Dartmouth and then Harvard put it in the Red and Blue, whose seasonal record dropped to 3-5 overall and 0-2 in the Ivy. On Friday in Hanover, the Big Green of Dartmouth built a 4-1 lead in the single-play competition and came on to win by a 9-0 margin. The lost double was claimed by a draw because heavy rain halted play in the overall team match and had already been decided.

Single winners for the Quakers were the top two pairs, Richy Meyer and Mark Fife. Meyer took Peter McGlathlin of Dartmouth in the featured match of the weekend in hopes of winning their first road match of this long season. They

set tie-breaker.

However, the crowd is certainly no excuse. They played well and won. We knew it getting to be a long and tired song for this year's Quaker netmen. For, as hard as they try, they can't shake the traveling blues.

Molloy credited the boisterous Dartmouth crowd with effecting the outcome. "It was Parents Day up there," stated the Quaker coach, "and I believe there

Winning Streak Intact

The first varsity lightweight boat of Pennsylvania arrived at the starting point first. The Quakers had a short half hour wait at the starting line. The third race was cancelled after a half hour wait at the starting line.

The second varsity lightweight boat of Columbia began the race with Columbia close behind. The Quakers managed to preserve their unbeaten streak. They have a well-rounded team that can score in every event. "Our strong point is defense," said Jack Adams. "But we did not play like it today." In the second half the Big Red followed all Quaker lines of a comeback by putting two good slams past the Quakers in the fourth inning. The Quakers replaced Bill in goal, and the Big Red from Cornell did not stop. The Quakers were even with Cornell in every event except the 500-meter mark.
