in the mid-50's. Motian has also played with Oscar Peterson, the Turning Point Orchestra, and the Bill Evans Trio. He has also played with Perry Robinson and Jaki Byard, among others. During this period he was a member of the Keith Jarrett Quartet, one of the more influential groups of the late 60's and early 70's.

The Paul Motian Trio will perform two sets, at 9:00 and 11:00 PM, at the Foxhole. The group features David Izenson, who is also a bassist for the Paul Motian Trio. The evening will begin at 8 PM, and the show will end at 11 PM.

Art Exhibits

ICA:
The draw of a lot at the Architect, drawn by artist Richard Meyer, is part of an exhibition of drawings, prints, and photographs from the 19th and 20th centuries, featuring works by important international artists. The exhibition opens December 11 in the Philomathean Art Gallery. Denslow, a native Philadelphian, was a prominent writer and illustrator of children's books and postcards, best known for his illustrations of children's books, such as "The Wizard of Oz" and "The Wonderful Wizard of Oz." His work is on display in the Philomathean Art Gallery.

Houston Hall:
A retrospective show of oil paintings by Hungarian-born artist Joan Miró, a native of Spain, will be on display at the Houston Hall Gallery. The exhibition includes approximately 30 paintings, mostly portraits, for sale, and will run until January 15.

Hoover Lounge:
Art FM is in the process of exhibiting the works of six photographers in the Hoover Lounge, located in the Philomathean. Sponsored by Martha and the Fine Arts and the New York Philharmonic, the exhibition features works by David Hockney, Richard Meier, Walter Pichler, Aldo Rossi, and Richard Meier. The exhibition opens December 1 in the Hoover Lounge Gallery.

Drama by Arribalba Opens in Zellerbach

In ELLINGTON To ZARAGOZA

The exhibition opens on the stage of "The Broadway's Best" production at the Assembly Center. The Architect and the Emperor of Assyria, opens in the Zellerbach Theatre. The single-musical by avant-garde playwright and filmmaker Fernando Arrabal will run through December 11. The Architect and the Emperor of Assyria does not follow a strictly linear story. It is a collection of fragmented dialogues, themes, and images. The play is a visual, poetic, and lyrical experience, with a mixture of medieval and modern elements. The overall effect is a visceral, immersive experience. The production opens at 8 PM. Performance times are Tuesday through Saturday evenings at 8 PM, with Thursday, Saturday, and Sunday matinees at 2 PM. For information and reservations, call 631-631.

Buying A Favorable Credit Rating

By P.H. Wiest (FAS 78)

I want to direct my remarks today toward The Philadelphia and the way in which our credit rating can affect our financial life. A favorable credit rating is a valuable asset and a necessary factor in obtaining credit and other forms of financing. It is important to understand the significance of a good credit rating and how it can benefit you.

A good credit rating is based on your payment history, credit utilization, credit mix, and other factors. When you have a good credit rating, lenders, creditors, and other financial institutions view you as a lower risk borrower. This means that you can qualify for better interest rates and loan terms.

On the other hand, a poor credit rating can result in higher interest rates, worse loan terms, and limited access to credit. It can also affect your ability to get a job, rent an apartment, or even get insurance.

Therefore, it is crucial to maintain a good credit rating. You should pay your bills on time, keep your credit utilization low, and monitor your credit report regularly. By doing so, you can ensure that your credit rating remains strong.

In conclusion, a good credit rating is a valuable asset that can benefit you in various ways. To maintain a good credit rating, you should focus on paying your bills on time, keeping your credit utilization low, and monitoring your credit report regularly. By doing so, you can ensure that your credit rating remains strong.

Let’s hope it sticks this time.
Have a great vacation, don’t eat too much, and we’ll see you next year.

news in brief
Supreme Court Rules On Maternity Leave—Employers may legally deny sick pay to women on maternity leave but may not take away their seniority, the Supreme Court ruled Monday. Justice William Rehnquist said that denial of seniority violated the 1964 Civil Rights Act because it gives women a disadvantage which men “need not suffer.” On sick pay, Rehnquist’s opinion followed the lines of a 1976 ruling that pregnancy may be excluded from a private employer’s disability insurance program.
