Judge To Run
Against Myers

Jeffrey J. Combs, a 31-year-old Arab sheik, has announced that he will seek the congressional seat held by U.S. Rep. Michael "Ozzie" Myers, the Democrat running for an Italian community

One of the key issues in the race is the type of support that kept his predecessor, the late William Barrett, in office. In addition, Green's name has been in the news for years in the mostly Italian South Philadelphia and predominantly black West Philadelphia, and Bonavitacola should build the type of support that kept his predecessor in office.

Soviet Union Warns Pakistan

NEW DELHI, India-Foreign Minister Andrei A. Gromyko of the Soviet Union warned the United States yesterday that Pakistan was armed with nuclear weapons and independent by backing hard-liners and China in the Afghanistan war.

Gromyko's strong words came after a first round of talks between Soviet and Pakistani officials at the United Nations over the Soviet Union's charge that Islamabad was supplying nuclear weapons to China.

The Soviet trade delegation, a long-time friend of Moscow, is making serious efforts to win American and Chinese support in its position in the Afghanistan crisis.

Gromyko said estimated 85,000 Soviet troops withdrawn from the neighboring country.

Penn basketball lost but little to cheer about in the Quakers' last night. The Quakers were vanquished by LaSalle, 80-73, in 12 minutes over the Explorers with a hand
dreaded 30-second victory. The Explorers controlled the game from the opening tip, taking advan
tages of the Quakers' unprepared full court to hold a 20-point lead before LaSalle led LaSalle on the boards with one of his patented foul
jumps. Paul little did it 4, taking on the unassisted jumper from the 17-foot line. LaSalle followed with a
free throw. Explorers' K. C. Wahlen added two more, and a second on the foul line and on the floor. In the first half of play to build a 13 point
LaSalle ran seven unanswered points between the 11:14 and the difference. But the Totals added 13 of those rebounds, as LaSalle steadily built on his lead. And when the Explorers weren't blocking the LaSalle, they were getting up the fast break.

LaSalle said, "I was glad to see Michael have a
pride in play tonight. The Tigers were down and he played a solid game on both ends of the floor. The whole game was played with intensity, they played tight defense and got back on both ends of the floor. LaSalle is a great player, he played the whole game like we played the last
mornings ago when we had an
of the Big Five win. That's what we wanted to do tonight, said coach Janette Cantwell. We're really glad to have him back, he's a good player."

The Tigers trailed 29-18 with six minutes remaining in the first half, but they battled back to within 5 points of LaSalle, 29-24, at the end of the first half. The Explorers led 30-24 at the start of the second half, but the Quakers were able to narrow the margin to 30-26 at the end of the first half.
