Carter Campaigns in Texas

CORPUS CHRISTI, Texas — President Carter was scheduled to make a stop in Corpus Christi today to launch his presidential campaign in Texas. This visit is the fourth stop on his six-day tour of the state, which is expected to keep his strength against a Republican challenge.

Carter's first stop was Texas, which presidential spokesman Jody Powell described as a very close between Carter and his Republican challenger.

Carter carried every state of the old Confederacy except Mississippi, which conservatives expect the conservative Reagan to present formidable opposition in the president's native Dixie.

On his arrival at Corpus Christi Naval Air Station, the president was greeted by several hundred flag-waving civilians and a Mexican dance ensemble wearing sombreros and native costume.

"Student Body Says
No Outside Pres."
Hackney: Historian and Scholar

By ANDREW KELTMAN

To begin with an accent, the key to understanding Francis Sheldon Hackney lies in the fact that he is a Southerner through and through. "He talks with the deliberateness of a Southerner," said a long-time friend of the president-elect. Sheldon Hackney, outgoing President Martin Meyerson, presence nevertheless commands respect in the University, he will become the sixth holder of the position. He takes office as President of the University in 1980.

"He talks with the deliberateness of a Southerner," said a long-time friend of the president-elect. Sheldon Hackney, outgoing President Martin Meyerson, presence nevertheless commands respect in the University, he will become the sixth holder of the position. He takes office as President of the University in 1980.

The University's President: A Capsule History

Granville Tower, part of the $114 million legacy of construction he gave the University.

A seven-month search in 1970 ended in the selection of Martin Meyerson as President of the University. Meyerson had been president of the State University of New York at Buffalo, and was also a professor of city planning at the University from 1952 to 1957. With his new appointment, the University went on to become a university with a reputation as an excellent leader in the nation. The presidency had become necessary because of the growth of the University, increasing enrollment, and the need for continued fundraising. Another factor was the growth of the student body, from 300 in 1900, to 10,000 in 1920.

It was the skilled leaders who brought the University through World War II, and provided a path for the post-war economy.

Some of the presidents have been more successful than others. For example, Franklyn S. Haldeman, the first president, served only four years. During his term, plans were made for the construction of Granville Hall, a library for the University, which was completed and opened in 1920.

"He's a very fine fellow," said Joseph Gordon, dean of the arts and sciences at Tulane. "He's one of the outstanding men in the country." Gordon added that when Hackney takes over in 1975, he will be the sixth holder of the University in its long history.

"We have always been known for de

By Russell Brooks

The Penn Band Deserves More Funding and Support

Letters to The Editor

I was writing as a concerned University student. What worries me is that the truth of what the University is doing is being obscured. One might wonder, for example, how can it be that the University can support an organization like the Penn Band, while at the same time so many students are being denied admission to the University? The Penn Band is one of the most prestigious bands in the country, and yet it is supported by a fraction of the funds that the University spends on other things. Is this not a contradiction?

The University should do more. We should all do more. As a testament to the efforts of one individual, I can only commend and applaud the efforts of this hard-working and moral person. His ability and willingness to apply the lessons of the self-centered, cynical era of our University will long remain an inspiration to us all. 

Russell Brooks is Treasurer of the University's Assembly.

The Daily Pennsylvanian

Letters to The Editor...
Gregorian has. His feeling is that they feel it in a period of facing crises, they want someone new to lead the University in new directions, but to manage effectively."

Gregorian's view on provost has been almost universally acclaimed. Successing Ellis Schettier in that position, Gregorian was lauded for his management of the tumultuous years in the University's history. Gregorian managed to restore peace and a feeling of col-

pered. For a limited time only when you buy one bacon cheeseburger, either It takes a real imagination to top our perfect cheeseburger with crisp, delicious bacon. And you can save 30¢ when you buy our brand-new bacon cheeseburger.

ATTENTION PHILOSOPHY MAJORS:

Q. Why is Bacon so respected?

A. Because Bacon is the best thing that ever happened to a cheeseburger.

And you can save 30¢ when you buy our brand-new bacon cheeseburger.

We're pretty sure that Bacon didn't write Shakespeare after all. But then he didn't invent "Bayonne bacon" either. Just imagine to top our perfect cheeseburger with crisp, delicious bacon.

Nevertheless, even Bacon would approve of our offer for a limited time only when you buy one bacon cheeseburger, we'll give you 30¢ off. But Sir Francis still can't take credit for our bacon cheeseburger. So why is it named after him?
Marianne said it. She believed that Gregorian wasn't picked because the Trustees were looking for someone to manage, and they did not see Gregorian in that role. "They felt that he is a period of shrinking resources, they want someone not to look for new directions, but to effec- tively manage," she added.

UA Treasurer Russell Brooks lamented what he saw as the Trustees' "underestimation of Gregorian, saying, "It seems like he'll be a com- raderly we would treasure instead of casting him to the winds.""

"I don't think that anyone ever

Flaherty, Specter Clash on Issues

By the Associated Press

Democrat Pete Flaherty and Republican Arlen Specter, candidates for the U.S. Senate, disagreed sharply over the economy yesterday, each accusing the other of advocating inflationary recovery programs.

Specter told a luncheon meeting of the Chamber of Commerce that he supported an immediate 10 percent across-the-board tax cut, saying he did not have a "stutter," Specter added, adding: "During the hour-long debate, Flaherty said he favored a more "gradual" approach to economic trends, one that would involve a 2 percent tax cut. He said he believed the federal government must under- take a "costly" arms program and a $15 billion increase in defense spend-
ing.

Both spending initiatives, he said, were "necessary to bring us out of the recession." But he added: "They are not as anti-inflationary as I would like to see." Specter said Flaherty's "graduation would be inflationary" because it relied on expensive government pro-
grams.

In other areas, both candidates ad-
vocated greater development of the Port of Philadelphia and the state's coal industry. Both opposed all forms of gun control, and both sup-
ported initiatives to make it cheaper to depreciate their capital investment in an accelerated basis.

Police Arrest Auto Thief, Investigate Pellet Attack

**BY ROY WERER**
A High School and Penn student returned to the University early Monday morning to find a bullet hole in his window.

Phyllis Bryant called 911 Sunday evening when her son, Wharton Senior Keith Funger entered the 17th floor apartment he shares with EH Senior Joe Reiner and 8E Senior Mark Schloss. The bullet, however, did not penetrate the window itself and instead hit the window sill and stuck in the window, according to police.

The bullet was apparently fired by a pellet rifle, Campus Police Captain Thomas Clancy said.

"Police said the bullet must have been fired from the window since there was no indication of a trajectory angle," Reiner said, adding that the bullet did not originate as from the origin of the rifle.

The room faces High Rise East and looks out over High Rise South.

Police said the shot was first sometime between Thursday and Saturday. "It was definitely not in the daytime," Reiner said.

Also: interview for a position on the committee which selects the recipients of various honors.

Didi
**Booster Tackle Explorers, 1-0**

**BRYAN HARRIS**

The Penn标志 never faced itself two opposing in yesterday’s season opener at Franklin Field, but the

Bucks and the Tacklers were able to overlook the rough going over the green spring turf. Opposite number two was the playing surface at Lehigh vs. McKechnie Stadium, which looked more like a tennis court than a football field.

Nevertheless, the Quakers overcame early obstacles in the form of the Bucks’ strong tenacious defense to defeat the hard-hitting Tacklers, 1-0.

The defense of the Quakers’ second string was led by linebacker Tom Roland with 12 tackles and 15 tackles against 20 tackles for 20 tackles. The defense was led by linebacker Scott Kistler with 12 tackles and 15 tackles.

The Quakers’ only goal they needed early in the game. At 12:04, Scott Kistler kicked the ball out of bounds at the one-yard line. Tom Roland then recovered the ball at the ten-yard line.

**The Tacklers**

The Tacklers were led by quarterback Tom Roland with 12 tackles and 15 tackles. The defense was led by linebacker David Solomon with 12 tackles and 15 tackles.

Tom Roland, the Tacklers’ quarterback, was unable to find an opening in the Quakers’ defense. The Tacklers were forced to settle for a field goal attempt, which was blocked by the Quakers’ defense.

The Quakers’ defense, led by linebacker Scott Kistler, was able to hold the Tacklers to just 108 yards of total offense.

**Tackle**

While the Quakers’ defense was able to hold the Tacklers to just 108 yards of total offense, the offense was unable to capitalize on its opportunities. The Quakers’ offense was led by quarterback Tom Roland with 12 tackles and 15 tackles. The offense was led by running back David Solomon with 12 tackles and 15 tackles.

The Quakers’ offense was unable to find a way to move the ball against the Tacklers’ defense. The Quakers finished with just 108 total yards of offense, with 60 yards rushing and 48 yards passing.

The Quakers’ defense was able to hold the Tacklers to just 108 yards of total offense, but the offense was unable to score a touchdown. The Quakers were forced to settle for a field goal attempt, which was blocked by the Tacklers’ defense.

The Quakers’ defense was led by linebacker Scott Kistler with 12 tackles and 15 tackles. The defense was led by linebacker David Solomon with 12 tackles and 15 tackles.
