Commission may revolve on arcade authorization

By CRAIG COOPERSMITH

The "Pancake" game room is scheduled to open on the 1984-1985 academic year at the Philadelphia Zoning Board, which oversees the operation of such facilities. The board had already decided to approve the project, but the issue has now come back to the Zoning Board for further consideration.

In addition, University City landowner Robert Herman has been involved in efforts to create a new zoning board for the area, and he is expected to present his proposal at a future meeting of the Zoning Board. Herman has stated that he believes the new board would be more effective in regulating the activities of the arcade. The University City Planning Commission has also expressed interest in the proposal, and it is expected to make a decision on the matter in the near future.

Home, Sweet Home

REMEMBER HOMES YOU USED TO LIVE IN? IT SOUNDS STRANGE, BUT SOMETHING DISTURBING HAPPENED TO YOU THAT YOU PREFER TO FORGET ABOUT.

Details about the previous homes you lived in are as follows:

Students set to join freeze lobby in D.C.

By ANN MILLER

Thirty-four University students will visit Washington, D.C., to lobby for the University's position on the freeze on the nuclear arms race. The students, who are members of the Student Committee on University Policy, will meet with federal officials and discuss the freeze movement.

The students will be led by William Pierskalla, who helped organize the freeze movement. Pierskalla said he believes the freeze is important for the future of the University and the country.

Inside

On City Hall's agenda into a political action group that says it will run for seats on the City Council in the November elections.

"We have recruited a lot of support," said Randy Hartz, the group's founder.

The new group, called the City Hall's Agenda, will be led by Randy Hartz, a former City Council member.

"The City Hall's Agenda is a group of people who are concerned about the city's future," said Hartz.

The group is expected to announce its candidates in the coming weeks.

Government drops restrictions on publishing of research papers

By ALAN PARK

The federal government has dropped restrictions on publishing research papers, a move that would make it easier for scientists to share their findings.

The move follows several years of efforts by scientists and publishers to loosen restrictions on the publication of research papers.

The new policy will allow scientists to publish their research papers without seeking government approval, and it will also allow scientists to publish their papers in electronic form.

A question of age

Wharton establishes young faculty fund

By HENRY KLINKMAN

In an effort to make Wharton the nation's top business school, the University of Pennsylvania has established a new fund to attract young faculty members.

The fund, called the Wharton Young Faculty Fund, will provide financial support for young faculty members who have the potential to become leaders in their fields.

The fund is expected to raise $5 million over the next five years, with contributions from alumni and other donors.

Flash in the Pancake

Dickens fans flip over annual English festival

By JENNIFER WHITLOCK

A Dickensian celebration of the writer's life and works has been the highlight of the annual English festival in Philadelphia. The festival was held in the Rotunda of the University of Pennsylvania.

The event included a parade through the city, a performance of "A Christmas Carol," and a reading of novels by Dickens.

The festival is expected to draw thousands of visitors, and it is expected to become a regular feature of the English festival in Philadelphia.
Hart triumphs in Vermont primary

MONTPELIER, Vt. — Gay, gay, gay. Gay backers and a gay slogan underscored a remarkable sweep of northern New England by gay candidates for political office last night in Vermont's Democratic primaries. Democratic men won gubernatorial control of the state for the first time in 19 years, and same-sex candidates received a public vote in support of gay rights.

The most dramatic victory was for the largest annual lobbying effort on behalf of Soviet Jewry in Washington, D.C.

...the University — who were jammed into Adas Israel to themselves, while the men had the hard surface of an interminable discussion. Then, all at once, there was a silence, as though every eye were turned to the door. There was a knock, then a pause, then another knock, and then there was a hurried ensu...

The next morning, when the students awoke at 6, the Capitol Hill seemed eerily devoid of other people. It took a moment for them to realize they had the place to themselves, and then they went to breakfast, to put on their dress coats, and to catch the 6:30...

Cleaning Up

When a hazardous disease is spreading through a research facility, there are more important things to worry about than public relations. Workers at the Waste Institute have been left in the dark about a situation threatening their health. A Lymphoma. Chromomelanoma outbreak in animal laboratories is the issue. One employee told the SDP "[The Waste management] have not told us a damn thing about what the potential effects of exposure to LCM are."

Unfortunately, Waste officials seem to be taking...
UA, GAPSA members attend discussion of U. alcohol policy

By DIANA DUAR

The University’s Alcohol Concerns Committee held its first meeting yesterday to the first draft of the University’s alcohol policy at a meeting attended with the Undergraduate Assembly and the Graduate and Professional Schools Association yesterday.

The proposed policy will require all students to have a substance evaluation report on file with the University’s alcohol policy office. The report will be reviewed at least every two years, and students will have to have a negative test for alcohol consumption at least twice a year. Students who test positive for alcohol consumption will have to enter a treatment program. The policy also recommends limiting consumption to no more than one drink per person per day.

The Alcohol Concerns Committee met yesterday to discuss the proposed policy from student organizations, who are considering these suggestions, the policy draft and the proposed changes. The meeting will be submitted to Vice President for University Life James

College House coordinator Helm named to new College position

By ROBERT MAHLOVITZ

College House Coordinator Randy Helm has been named Associate Director of Development in the University of Pennsylvania’s Department of External Affairs, a newly created position.

Helm’s duties include managing alumni affairs, directing fundraising efforts of the arts and sciences and promoting the University’s resources to alumni and donors.

Helm has been named Associate Director because of his experience in spending the University’s money, he added. "I’d like to develop some expertise in getting money," he added. "I’m very excited about the job.

Helm will take his new post March 31. He said that he is very enthusiastic about the work.

The Latest In Audio, Visual, and Electronic Equipment

Ad Deadline: Friday, March 23, 1984

Camaras, computers, stereos, televisions, and records are as much a part of college life today as classes and textbooks. University of Pennsylvania students seek out the newest equipment, the hottest releases, and the best places to shop.

Sights and Sounds, a special supplement to The Daily Pennsylvaniaian, features articles and advertisements on the latest in Philadelphia audio, visual, and electronic equipment. Your business can be a part of it and cash in on the fantastic University of Pennsylvania market.
GSAC delays vote on resolution supporting LGAP Army lawsuit

By LISA GREENE

The Graduate Student Association Council tabled a resolution yesterday opposing Army recruitment on campus. The resolution, which will be voted on at the group's next meeting, states that GSAC opposes the army's use of campus facilities because it violates the University's non-discrimination policies.

GSAC delays vote on resolution supporting LGAP Army lawsuit

A recently adopted Philadelphia Religious Liberty Commission resolution, which mandates that university administrators "employ their best efforts to prevent the military or any other organization from using any university space for purposes of recruitment," was adopted by the Graduate Student Association. The resolution states that "organizations that discriminate on the basis of sexual preference, and the practices of their participants, should be required to be subject to the same policies as those which the campus facilities for recruitment should be required to adhere to the same policies." The resolution also recommends that University facilities must "employ their best efforts to prevent the military or any other organization from using any university space for purposes of recruitment," unless the recruitment is "adapted from the University's non-discrimination policy."

The resolution continues, "This year we've been able to change the way students think about the issue, and to make contributions to the advising organization. With the aid of the faculty and the student body, we've been able to make the changes necessary to ensure that the University is a safe place for all students." The resolution closes with a call to action, "We have the power to make change, and we must use it for the greater good."

The resolution was presented to the faculty council by the Student Activities Council. The council tabled the resolution yesterday, stating that the resolution, which was recently adopted by the Graduate and Professional Student Assembly, "does not address the issue of discrimination in the military," and "should be referred to the Graduate and Professional Student Assembly for further discussion on the issue of discrimination in the military." The council did not vote on the resolution yesterday.

SCUE elects new set of officers

For the Student Committee on Undergraduate Education, it's a new day. SCUE held their election last night, bringing in a new board of officers and student committee members to its list. While ending the reign of members who have put the committee on the map, they also bring in new faces and new ideas.

The new board is comprised of Chair candidates, College junior, Vice Chair Scott Gorbman, College sophomore, Treasurer Charles Powell, College junior, and Secretary candidates, College freshmen Catherine Buhman, College sophomore Brenda Schacht, and College senior Jane Schacht. The new board will be elected by the current board and voted on by the student body, on the new board will be elected by students.

FINANCIAL AID FOR GRADUATE STUDENTS*

CLASSICAL INSTRUMENTS

If you wish to be considered for national direct student loans, you must complete the FAFSA. National direct student loans are only available to U.S. citizens and permanent residents. Financial aid applications are available in the Graduate Financial Aid Office. Financial need must be demonstrated for consideration for national direct student loans. Applications may be obtained by contacting the Office of Student Affairs/Admissions of your respective school for application information.

MAYBE YOU SHOULD USE AlcoPal...

Like most Americans, many U. P. students drink socially, especially on weekends and holidays.

Like many Americans, some U. P. students at times drink more than they realize.

AlcoPal, the instructive breath alcohol self-screening device, can increase your awareness of the consequences of alcohol consumption (getting you home with your S.A.C. blood alcohol concentration.) This could save embarrassment - or even lives.

AlcoPal is inexpensive and easy-to-use. Everyone who drinks can benefit from this test. To order AlcoPal, send a check for $32.98 per test (postage and handling included) to:

Quaterion Corporation

P.O. Box 326

Devon, PA 19333

A 10% discount may be taken on orders of 100 or more tests.

The Daily Pennsylvanian -- Wednesday, March 7, 1984
Hillel to hold forum about anti-Semitism

"We thought of the Anti-Defamation League's event after watching the March on Washington for Jobs and Freedom, and when we got back to campus after it, we were wondering what we could do to develop ideas about this," said Hillel President Kevin Aaronson.

But the idea caught on quickly. "The students at Penn had a very urgent sense of needing to do something," Aaronson said. "We thought this was a good way to do that." He said the event would continue the work of the Anti-Defamation League and other groups at the University last summer.

"We didn't want to address the issue of anti-Semitism and how it is at the University and the community," Aaronson said. "We didn't want to say this is a problem here. We wanted to talk about how anti-Semitism is a problem on college campuses.

"We hope that students here who might not have had a problem of anti-Semitism on campus before will begin to see anti-Semitism being a problem and the need to be more aware of it," he said. "We wanted to talk about how we're going to address this problem here on campus."

**Florida holds more sun than for W. Tennis**

By PHIL GELMAN

The Penn women's tennis team is headed to Florida for spring break, but don't look for the Quakers to lose too much in the sunshine.

"I don't think we'll be a pretty intense winner of matches," coach Gary Lyle said. "We'll be fun to see against Stetson and we've got four tough matches."" (Continued on page II)

**Winning year for W. Swimming**

By BOB BELLGRAD

This year's men's tennis team has a name long in the history of the Ivy League. Nearly all of the tennis players are veterans of Eastern Intercollegiate Championships, which were held February 23-25 at Cornell. It was another year in which the Quakers led the league. But there is room for an up-and-coming team to make its mark," Fallon said. 'I don't see how there can ever be a stronger team than ours.' (The Daily Pennsylvanian)

**Future bright for M. Swimmers**

By MIKE GAPTIS

The Penn women's swimming team finished seventh in the Easterns last spring. Now, with several returning swimmers, the Quakers could be a strong team.

"We've all been practicing, but matches are different," Leary said. "We are not sure what we are going to be the Huntsman Tournament, which was held in late January. It's the final league meet of the year. The Quakers will face Central Florida, Florida Southern and Rollins College (varsity and junior varsity) in the tournament."

"We've got to be successful, but matches are different," Leary said. "We are not sure what we are going to be the Huntsman Tournament, which was held in late January. It's the final league meet of the year. The Quakers will face Central Florida, Florida Southern and Rollins College (varsity and junior varsity) in the tournament."
